Elizabeth Berg, bestselling author of *The Art of Mending* and *The Year of Pleasures*, has a rare talent for revealing her characters' hearts and minds in a manner that makes us empathize completely. *We Are All Welcome Here* features three women,

each struggling against overwhelming odds for her own kind of freedom. It is the summer of 1964. In Tupelo, Mississippi, the town of Elvis's birth, tensions are mounting over civil rights demonstrations occurring ever more frequently—and violently—across the state. But in Paige Dunn's small, ramshackle house, there are more immediate concerns. Challenged by the effects of the polio she contracted during her last month of pregnancy, Paige is nonetheless

determined to live as normal a life as possible and to raise her daughter, Diana, in the way she sees fit—with the support of her tough-talking black caregiver, Peacie. Diana is trying in her own fashion to live a normal life. As a fourteen-year-old, she wants to make money for clothes and magazines, to slough off the authority of her mother and Peacie, to figure out the puzzle that is boys, and to escape the oppressiveness she sees everywhere in her small town. What she can never

escape, however, is the way her life is markedly different from others'. Nor can she escape her ongoing responsibility to assist in caring for her mother. Paige Dunn is attractive, charming, intelligent, and lively, but her needs are great—and relentless. As the summer unfolds, hate and adversity will visit this modest home. Despite the difficulties thrust upon them, each of the women will find her own path to independence, understanding, and peace. And Diana's mother,

so mightily compromised, will end up giving her daughter an extraordinary gift few parents could match.

A Novel Skellig

There's an empty notebook lying on the table in the moonlight. It's been there for an age. I keep on saying that I'll write a journal. So I'll start right here, right now. I open the book and write the very first words: My name is Mina and I love the night. Then what shall I write? I can't just write that this happened then this happened then this happened to boring infinitum. I'll let my journal grow just like the mind does, just like a tree or a beast does, just like life does. Why

should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook, and here is her journal, Mina's life in Mina's own words: her stories and dreams, experiences and thoughts, her scriblings and nonsense, poems and songs. Her vivid account of her vivid life. In this stunning book, David Almond revisits Mina before she has met Michael, before she has met Skellig. Shortlisted for the 2012 Carnegie Medal.

A boy befriends a young caveman in this modern children's classic of friendship and adventure. Barney isn't supposed to go near the chalk pit. His grandmother and sister both told him the edge could give way and he could fall in—but what else is he supposed to do on a miserable gray day? It's not long before Barney falls into the pit and bumps his head. But where he lands is more than an old garbage dump: It's a home. There's a little hut built out of discarded junk,

and more
surprisingly, there's a boy, about Barney's age, inside. He speaks in grunts instead of English, wears a rabbit-skin loincloth, has shaggy black hair, and might be named something that sounds like "Stig." Barney befriends him immediately. Together, Barney and Stig go on all sorts of adventures, building a chimney for Stig's hut, joining a foxhunt, stopping robbers, and catching a leopard escaped from the circus! Barney and Stig's escapades have been delighting

children for more than fifty years, while addressing important topics such as bullying, recycling, and language barriers. This timeless classic is sure to captivate readers young and old with its wit, imagination, and sense of adventure. *Wieland, or, The transformation* Ballantine Books The Printz Award–winning classic gets a new look. Written in haunting, lyrical prose, Kit's Wilderness examines the bonds of family from one

The Watson family moves to Stoneygate, an old coal-mining town, to care for Kit's recently widowed grandfather. When Kit meets John Askew, another boy whose family has both worked and died in the mines, Askew invites Kit to join him in playing a game called Death. As Kit's grandfather tells

him stories of the mine's past and the history of the Watson family, Askew takes Kit into the mines, where the boys look to find the childhood ghosts of their long-gone ancestors. A Michael L. Unlocking Ancient Mysteries and Secrets of Eight of the World's Great Historic Sites

"O'Reilly Media, Inc."

"We have relied on science to tell us what happened in ancient sites around the world, it is time for research that is connected to Source." —Sonja Grace "Spirit Traveler: Unlocking Ancient Mysteries and Secrets of Eight of the World's Great Historic Sites" takes a unique approach to analyzing why famous historic sites, including the Great Pyramids, Stonehenge, and Tiwanaku, were constructed. Scientists and archaeologists have written thousands of books about these sites. While this information is crucial to our knowledge today, much of the mystery about these places

remains unsolved and questions surrounding their purpose have lingered throughout the centuries. "Spirit Traveler", the companion book to the documentary film with the same title, offers a completely different perspective on why these sites were erected and what purpose they served. Only Sonja Grace, the internationally known mystic healer, is able to reveal the secrets of these ancient buildings in this new and fascinating way. Sonja is a Spirit Traveler deeply devoted to the protection of our beautiful Earth. She has spent a lifetime working in the ethers with angels

and guides. She sheds light on what the people and cultures of the past were doing at these sites and why, offering a brand new understanding of the events that took place there centuries ago. Sonja Grace brings her unique understanding of the truth to history. In *Spirit Traveler*, Sonja travels back through the realms to reveal history as it happened. She answers the questions that have puzzled historians and archaeologists for hundreds of years: What was the purpose of Stonehenge? How were the Great Pyramids built, and why is their particular geometry so significant? Why was Skellig Rock so important to the monks? Have our beliefs about these great sites been wrong all along? Is their importance something other than what we have always thought? Sonja Grace's discoveries shine a whole new light on our historical understanding of these places and on their relationships to the Earth. Sonja Grace aims to bring a new spiritual truth to these questions and fulfill her purpose in the awakening of humanity. *Spirit Traveler* is a purposefully structured book. Sonja discusses eight specific historical sites: Skellig Michael (Ireland) Tiwanaku - The Gate of the Sun (Bolivia) Stonehenge (England) Hagar Qim (Malta) St. Winifride's Well (Wales) Chichen Itza and Temple of Kukulcan (Mexico) The Great Khafre Pyramids (Egypt) the Rock of Cashel (Ireland). Each chapter tackles the scientific and historical information available about each site up to this point in time. Sonja addresses the questions that continue to puzzle archaeologists and historians. The second half of each chapter is devoted to Sonja's *Spirit Traveler* experience, what she learned, and the answers to some of those

longstanding questions. Few people possess the gifts of Sonja Grace. Her heritage (part Native American, part Norwegian) provides her with the extraordinary ability to transport anywhere. She sees, hears, smells and feels the places she visits. In *Spirit Traveler*, Sonja shares every single detail of her riveting travels through space and time. Her work is marked by her distinct understanding of the dimensions and realms along with the convergence of Divine and Earth energies, which allows her to travel through the ethers and gather historic information.
