“ We have relied on science to tell us what happened in ancient sites around the world, it is time for research that is connected to Source. ” —Sonja Grace "Spirit Traveler: Unlocking Ancient Mysteries and Secrets of Eight of the World 's Great Historic Sites" takes a unique approach to analyzing why famous historic sites, including the Great Pyramids, Stonehenge, and Tiwanaku, were constructed. Scientists and archaeologists have written thousands of books about these sites. While this information is crucial to our knowledge today, much of the mystery about these places remains unsolved and questions surrounding their purpose have lingered throughout the centuries. "Spirit Traveler", the companion book to the documentary film with the same title, offers a completely different perspective on why these sites were erected and what purpose they served. Only Sonja Grace, the internationally known mystic healer, is able to reveal the secrets of these ancient buildings in this new and fascinating way. Sonja is a Spirit Traveler deeply devoted to the protection of our beautiful Earth. She has spent a lifetime working in the ethers with angels and guides. She sheds light on what the people and cultures of the past were doing at these sites and why, offering a brand new understanding of the events that took place there centuries ago. Sonja Grace brings her unique understanding of the truth to history. In Spirit Traveler, Sonja travels back through the realms to reveal history as it happened. She answers the questions that have puzzled historians and archaeologists for hundreds of years: What was the purpose of Stonehenge? How were the Great Pyramids built, and why is their particular geometry so significant? Why was Skellig Rock so important to the monks? Have our beliefs about these great sites been wrong all along? Is their importance something other than what we have always thought? Sonja Grace 's discoveries shine

a whole new light on our historical understanding of these places and on their relationships to the Earth. Sonja Grace aims to bring a new spiritual truth to these questions and fulfill her purpose in the awakening of humanity. Spirit Traveler is a purposefully structured book. Sonja discusses eight specific historical sites: Skellig Michael (Ireland) Tiwanaku - The Gate of the Sun (Bolivia) Stonehenge (England) Hagar Qim (Malta) St. Winifride 's Well (Wales) Chichen Itza and Temple of Kukulcan (Mexico) The Great Khafre Pyramids (Egypt) the Rock of Cashel (Ireland). Each chapter tackles the scientific and historical information available about each site up to this point in time. Sonja addresses the questions that continue to puzzle archaeologists and historians. The second half of each chapter is devoted to Sonja 's Spirit Traveler ' experience, what she learned, and the answers to some of those longstanding questions. Few people possess the gifts of Sonja Grace. Her heritage (part Native American, part Norwegian) provides her with the extraordinary ability to transport anywhere. She sees, hears, smells and feels the places she visits. In Spirit Traveler, Sonja shares every single detail of her riveting travels through space and time. Her work is marked by her distinct understanding of the dimensions and realms along with the convergence of Divine and Earth energies, which allows her to travel through the ethers and gather historic information.

My Name is Not Friday Knopf Books for Young Readers
There's an empty notebook lying on the table in the moonlight. It's been there for an age. I keep on saying that I'll write a journal. So I'll start right here, right now. I open the book and write the very first words: My name is Mina and I love the night. Then what shall I write? I can't just write that this happened then this happened then this happened to boring infinitum. I'll let my journal grow just like the mind does, just like a tree or a beast does, just like life does. Why should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook, and here is her journal, Mina's life in Mina's own words: her stories and dreams, experiences and thoughts, her scribbles and nonsense, poems and songs. Her vivid account of her vivid life. In this stunning book, David Almond revisits Mina before she has met Michael, before she has met Skellig. Shortlisted for the 2012 Carnegie Medal.
