Sexy and thuggish,

Arrogant and self-

every woman secretly

always happy to deliver.  
Alexander knows no

untouched, not even her

love is the last thing on  
his mind. Getting paid,

Newly revised and updated, this classic manifesto is “ a foundational text for anyone hoping to understand transgender politics and culture in

the U.S. today ” (NPR) a landmark of trans and feminist nonfiction, *Whipping Girl* is Julia Serano ' s indispensable account of what it means to be a transgender woman in a world that consistently derides and belittles anything feminine. In a series of incisive essays, Serano draws on gender theory, her training as a biologist, her career in queer activism, and her own experiences before and

After her gender transition to examine the deep connections between sexism and transphobia. She coins the term transmisogyny to describe the specific discrimination trans women face—and she shows how, in a world where masculinity is seen as unquestionably superior to femininity, transgender women ' s very existence becomes a threat to the established gender hierarchy. Now updated

with a new afterword on the contemporary anti-trans backlash, *Whipping Girl* makes the case that today's feminists and transgender activists must work to embrace and empower femininity—in all of its wondrous forms—and to make the world safe and just for people of all genders and sexualities. *Painting Traditions of the Drigung Kagyu School* Haynes Manuals N.
