Practice-Labs are available on demand anytime and allow learners to gain practical experience with a broad range of technologies in a safe and risk-free environment.

Skills Practice Lab DATASHEET FOR LABBOOK Crystal Growth

Scissor skills are an essential life skill, but learning and practicing them can be tricky! The best way to start is with plastic scissors and

play dough, but once children can cut paper, then it's time for some activities that help build these skills like this scissor skills practice lion craft.

Multitasking Test

While you probably remember geometry being taught in middle or high school, there is actually a tremendous amount of geometry taught in elementary school and preschool. Exploring concepts with shapes and blocks are just one way children learn geometry early in their education, and build shape skills. Like other math skills, shape knowledge has a big impact.
