A prince with a quest, a beautiful commoner with mysterious powers, and dragons who demand to be freed—at any cost Filled with the potent mix of the supernatural and romance that made A Discovery of Witches a runaway success, Moth and Spark introduces readers to a vibrant world—and a love story they won't soon forget. Prince Corin has been chosen to free the dragons from their bondage to the power Mycenaean Empire, but dragons aren't big on directions. They have given him some of their power, but none of their knowledge. No one, not the dragons nor their riders, is even sure what keeps the dragons in the Empire's control. Tam, sensible daughter of a well-respected doctor, had no idea before she arrived in Caithenor that she is a Seer, gifted with visions. When the two run into each other (quite literally) in the library, sparks fly and Corin impulsively asks Tam to dinner. But it's not all happily ever after. Never mind that the prince isn't allowed to marry a commoner: war is coming. Torn between his quest to free the dragons and his duty to his country, Tam and Corin must both figure out how to master their powers in order to save Caithenor. With a little help from a village of secret wizards and rogue dragonrider, they just might pull it off. **Mistakes Were Made** HarperCollins UK

Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could

possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophecy is true—what they do can change history, and it's up to them to set things right. "A new Narnia for the tween set."—The New York Times "[A] fast-paced, fully imagined fantasy."—Publishers Weekly "Echoes of other popular fantasy series, from "Harry Potter" to the "Narnia" books, are easily found, but debut author Stephens has created a new and appealing read . . ."—School Library Journal, Starred Review

The start of a thrilling, action-packed trilogy from Charlie Fletcher, set in a world where statues come to life and dragons and heroes battle. Something dark has woken in the British Museum, and it has stopped time, literally freezing the city in its tracks. The people are there, but unmoving, unseeing - like statues. The statues, on the other hand, can move, and are astonished at what they see. In the Great Ormond Street Hospital, Will and Jo are suddenly plunged into this world of statues - and find themselves pursued by murderous dragons. With help from a couple of friendly statues, Will and Jo must escape the evil that stalks them in the streets of London. With beautiful illustrations by Nick Tankard.
