The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. First she stole my parking spot. Then we became friends. Then I fell completely, mind-torturingly in love with her. Oh, wait-I think that happened first. Excerpt: "All right, Sky," Jamie said, sounding confident, and pushed aside his plate. "I'm going to do you a personal favor. You can thank me later. Or now-your call." Squinting at him, Sky said, "What are you talking about?" "I'll help you filter out the losers right away." "How?" "Simple. I'm a guy myself. I know what other guys are about. Just the way you girls all understand each other-but guys don't understand girls very well at all. Am I right?" "Yes," she agreed. "But...how would this work?" "How about this? If I run

course." "Hmm...I'm tempted to go along with this," Sky said thoughtfully. "But I'm skeptical." "Of course you are," Jamie said, nonplussed. "You're a cynic. Let me help you." She gave a laugh and rolled her eyes. "Fine, so is this a pass/fail type of thing?" "Pass/fail, yes, that's a good idea," Jamie agreed. "And what kind of signal should we use? It would have to be really subtle, of course." "Let's keep it simple," Jamie suggested. "Thumbs down means dump him. Thumbs up means hump him." "That's disgusting." Jamie laughed out loud. "I'm kidding." Shaking her head, Sky laughed, too. Then said: "Why would you even want to help me with my dating life anyway?" "Why not?" Jamie replied. "You're helping me, right?" he said, motioning to the plant on the windowsill. "We'll call it even."

A new epic fantasy series begins. Song of Dragons tells a story of blood, steel, and dragonfire. BOOK ONE: BLOOD OF REQUIEM Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests, and shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once more become dragons and fly to war?

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, **Tough Call**, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. **Tough Call** is an

This fascinating Step 3 History Reader describes the invention of the first Ferris wheel—an engineering marvel. The 1893 World’s Fair organizers wanted something big to draw people to Chicago . . . something that would rival the Eiffel Tower. George Ferris, an American engineer, had the idea for an observation wheel that passengers could ride on. People laughed at his idea. They said it would never work. But it was a huge success, with thirty-six cars that could hold over 2,100 riders! That’s some big wheel! Ferris wheel lovers can thank George Ferris for never giving up his dream. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics—for children who are ready to read on their own.
