A widowed ex-model in search of hidden money hijacks a sexy pilot in this romantic suspense series opener by the New York Times bestselling author.

Noah Fisher has worked for months to make Sky High the most prestigious charter airline in California. He's long overdue for a break—something involving ski slopes, cold beers, and hot ski bunny babes. The itinerary doesn't include being hijacked by Bailey Sinclair, gorgeous widow of one of Sky High's wealthiest (ex-)clients. But here he is, crammed in a cockpit with a scared, stubborn, unbelievably sexy former model who

could get him in serious trouble . . . Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find

ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

After the collision claimed her mother's life and left her with a memory full of holes, Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. Though feeling exiled and abandoned by her father, she is determined to fill in the blanks the accident left in her mind. When she meets the hypnotically charming and strangely intense Murosky Skaggs, his unnatural curiosity and careful attentions toward her raise her suspicions. His stories don't add up. Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist. What she doesn't realize is the closer she gets to revealing his dark secret, the closer she comes to regaining her memory and unmasking her mother's murderer. But something else, something far more sinister is lurking just off the coast. It's been there, waiting for her. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that

path, there is no turning away from her destiny, if she can survive. Young Adult Paranormal Writing Workbook for the NEW SAT Random House Digital, Inc.
The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. Excerpt: "All right, Sky," Jamie said, sounding confident, and pushed aside his plate. "I'm going to do you a personal favor. You can thank me later. Or now-

your call." Squinting at him, Sky said, "What are you talking about?" "I'll help you filter out the losers right away." "How?" "Simple. I'm a guy myself. I know what other guys are about. Just the way you girls all understand each other-but guys don't understand girls very well at all. Am I right?" "Yes," she agreed. "But...how would this work?" "How about this? If I run into you while you're out on one of your blind dates, I'll let you know my read on the guy. Right then and there. We'll need some sort of signal, of course." "Hmm...I'm tempted to go along with this," Sky said thoughtfully. "But I'm skeptical." "Of course you are," Jamie said, nonplussed. "You're a cynic. Let me help you." She gave a laugh and rolled her eyes. "Fine, so is this a pass/fail type of thing?" "Pass/fail, yes, that's a good idea," Jamie agreed. "And what kind of signal should we use? It would have to be really subtle, of course." "Let's keep it simple," Jamie suggested. "Thumbs down means dump him. Thumbs up means hump him." "That's disgusting." Jamie laughed out loud. "I'm kidding." Shaking her head, Sky laughed, too. Then said: "Why would you even want to help me with my dating life anyway?" "Why not?" Jamie replied. "You're helping me, right?" he said, motioning to the plant on

the windowsill. "We'll call it even."
