The Everything Classical
Mythology Book Everything
The Lost Continent, initially
published as a serial in 1899,
remains one of the enduring

classics of the “lost race” genre. In it we follow Deucalion, a warrior-priest on the lost continent of Atlantis, as he tries to battle the influence of an egotistical upstart empress. Featuring magic, intrigue, mythical monsters, and fearsome combat on both land and sea, the story is nothing if not a swashbuckling adventure. The Lost Continent was very influential on pulp fiction of the subsequent decades, and echoes of its style can be found in the work of Edgar Rice Burroughs, Robert E. Howard, and others. This book is part of the Standard Ebooks project, which produces free public

domain ebooks.

An ancient evil, a terrible prophecy -- and five dragonets who could save the world . . . Don't miss the most thrilling adventure yet in the New York Times bestselling *Wings of Fire* series! Qibli knows Darkstalker must be stopped. And he knows

he could stop him -- if he had magic. With even a sliver of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him . . . Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade

Mountain -- and his family, his
friends, his whole world --
crashing down?

Marooned and facing death, the Sith crew have no choice but to venture into their desolate surroundings. They face any number of brutal challenges—vicious predators, lethal plagues, tribal people who worship vengeful gods—and like true Sith warriors, counter them with the dark side of the Force. The struggles are just beginning for the proud, uncompromising Sith, driven as they are to rule at all costs. They will vanquish the primitive natives, and they will find their way back to their true destiny as rulers of the galaxy. But as their legacy grows over thousands of years, the Sith ultimately find themselves tested by the most dangerous threat of

all: the enemy within.

Based on the epic videogame from BioWare and LucasArts NEW YORK TIMES BESTSELLER The Sith Empire is in flux. The Emperor is missing, presumed dead, and an ambitious Sith lord's attempt to seize the throne has ended fatally. Still, Darth Karrid, commander of the fearsome Imperial battle cruiser Ascendant Spear, continues her relentless efforts to achieve total Sith domination of the galaxy. But Karrid's ruthless determination is more than matched in the steely resolve of Theron Shan, whose unfinished business with the Empire could change the course of the war for good. Though the son of a Jedi master, Theron does not wield the Force—but like his

renowned mother, the spirit of rebellion is in his blood. As a top covert agent for the Republic, he struck a crucial blow against the Empire by exposing and destroying a Sith superweapon arsenal—which makes him the ideal operative for a daring and dangerous mission to end Ascendant Spear's reign of terror. Joined by hot-headed smuggler Teff'ith, with whom he has an inexplicable bond, and wise Jedi warrior Gnost-Dural, Darth Karrid's former master, Theron must match wits and weapons with a battle-tested crew of the most cold-blooded dark side disciples. But time is brutally short. And if they don't seize their one chance to succeed, they will

surely have countless opportunities creation, weather, nature, and the to die.
