eBook series . . . along with  
the explosive, never-before-

Pandemonium—more than one

material! Five thousand years

ago. After a Jedi ambush, the  
Sith mining ship Omen lies  
wrecked on a remote,  
unknown planet. Its  
commander, Yaru Korsin,  
battles the bloodshed of a  
mutinous faction led by his  
own brother. Marooned and  
facing death, the Sith crew  
have no choice but to venture  
into their desolate  
surroundings. They face any  
number of brutal  
challenges—vicious predators,  
lethal plagues, tribal people  
who worship vengeful  
gods—and like true Sith  
warriors, counter them with the  
dark side of the Force. The  
struggles are just beginning for  
the proud, uncompromising  
Sith, driven as they are to rule  
at all costs. They will vanquish  
the primitive natives, and they  
will find their way back to their  
true destiny as rulers of the  
galaxy. But as their legacy  
grows over thousands of  
years, the Sith ultimately find  
themselves tested by the most  
dangerous threat of all: the  
enemy within.

should be basking in his moment of glory. After all, the cocky smuggler and captain of the Millennium Falcon just played a key role in the daring raid that destroyed the Death Star and landed the first serious blow to the Empire in its war against the Rebel Alliance. But after losing the reward his heroics earned him, Han's got nothing to celebrate. Especially since he's deep in debt to the ruthless crime lord Jabba the Hutt. There's a bounty on Han's head—and if he can't cough up the credits, he'll surely pay with his hide. The only thing that can save him is a king's ransom. Or maybe a gangster's fortune? That's what a mysterious stranger is offering in exchange

for Han's less-than-legal help with a riskier-than-usual caper. The payoff will be more than enough for Han to settle up with Jabba—and ensure he never has to haggle with the Hutts again. All he has to do is infiltrate the ultra-fortified stronghold of a Black Sun crime syndicate underboss and crack the galaxy's most notoriously impregnable safe. It sounds like a job for miracle workers . . . or madmen. So Han assembles a gallery of rogues who are a little of both—including his indispensable sidekick Chewbacca and the cunning Lando Calrissian. If anyone can dodge, deceive, and defeat heavily armed thugs, killer droids, and Imperial agents alike—and pull

off the heist of the century—it's Solo's scoundrels. But will their crime really pay, or will it cost them the ultimate price? forces. As combat escalates across the galaxy, and Darth Sidious remains one step ahead of his pursuers, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision, while Darth Sidious plots to strike the final staggering blow against the Republic-and to ordain a fearsome new Sith Lord: Darth Vader. Once the most powerful Knight ever known to the Jedi Order, Anakin becomes Darth Vader, a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. As a few surviving Jedi lead a charge on a Separatist stronghold, the deadliest threat still

rests in the swift and lethal crimson lightsaber of Darth Vader-behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi hunted across space, survival is imperative if the light side of the Force is to be protected and the galaxy reclaimed.
