Mark Wilson's whole
life has been about the
moment when he
steps on to Old
Trafford to make his

first appearance for
Man Utd. But when a
wayward pass from
Ryan Giggs leads to
THE WORST DEBUT
EVER, Mark's
schoolboy obsession
with him develops into
something more
dangerous. Fifteen
years later, after a
career interrupted by
drinking, injury,
gambling,
RESTRAINING

ORDERS and burglary,
Mark is now sober,
gainfully-employed
and looking forward to
watching United at
their CHAMPIONS
LEAGUE-WINNING
BEST. Most
importantly for Mark,
he is reconciled with
the mother of his son,
little Ryan. But as the
old urges continue to
struggle for voice in his
head, can he keep his

eye on the goal?

Beard on Pasta
Sleeping Bear Press

It is 1933 and the Great Depression has ravaged the nation.

Millions of people are out of work; thousands of families are struggling to keep a roof overhead and food on the

table. But Momma still finds ways to count her blessings (lucky stars) from Ruth's new shoes to Poppa's new job. But where Momma sees the 'bright,' Ruth only sees the dark. Her shoes are hand-me-downs from a neighbor and Poppa's new job keeps him away from home for months. And now their town can't afford to keep the school open. Ruth will not be going to fourth grade even though she's one of the brightest students in her class. How can anyone find the

good in that? But when Ruth stops thinking of her own problems and focuses on someone else's, she realizes that being a lucky star is the best way to start seeing your own lucky stars. In addition to writing children's books, Judy Young teaches poetry writing workshops for children and educators across the country. Her other books with Sleeping Bear Press include the popular *R is for Rhyme: A Poetry Alphabet* and *Lazy Days*

of Summer. Judy lives near Springfield, Missouri. This is Chris Ellison's third book in the Tales of Young Americans series. He also illustrated Rudy Rides the Rails and Pappy's Handkerchief. His first book with Sleeping Bear Press, Let Them Play, was named a 2006 Notable Social Studies Trade Books for Young People. Chris lives in Hattiesburg, Mississippi. *Noisy Trucks* Tiger Tales IT'S THE DAWN OF AN IMPORTANT NEW

The Lucky Star

Princeton Review
An expert communicator,

Jack McAfghanas an writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used

informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend. Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's

mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives. This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion

for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bonafide Master over all.

**Randall's
Diary of
Awesomeness
2020** Random House

In Cordelia Darcy, Shelia Walsh has created one of her most delightful heroines ever. From a modest colonial background in America, she arrives in Regency London during the autumn of 1811 and makes it her stage. Before ever she steps foot in

London though, Cordelia has already become part of a dangerous diplomatic intrigue as the result of her shipboard encounter with a fellow American: Drew Harvey. Working to secure peace between England and America, Mr Harvey enlists Cordelia's help as a courier - thereby drawing her into the sights of his own very determined

enemies. Despite these shadows playing around her, Cordelia Darcy's first London Season is a resounding success - as if in tribute to the godmother whose bequest made it possible. And for all that she stands at the heart of a conspiracy that gathers force daily, Cordelia's story is also one of a beautiful young girl entering Society,

falling in love for the first time and learning to identify her own feelings. With her use of period detail providing a sumptuous Regency backcloth throughout, Shelia Walsh combines each separate thread of Lady Aurelia's Bequest into a first class romantic thriller. Open Road Media The definitive book on

steak has never been written- until now "Of all the meats, only one merits its own structure. There is no such place as a lamb house or a pork house, but even a small town can have a steak house." So begins Mark Schatzker's ultimate carnivorous quest. Fed up with one too many mediocre steaks, the

intrepid journalist set out to track down, define, and eat the perfect specimen. His journey takes him to all the legendary sites of steak excellence-Texas, France, Scotland, Italy, Japan, Argentina, and Idaho's Pahsimeroi Valley-where he discovers the lunatic lengths steak lovers will go to

consume the perfect cut. After contemplating the merits of Black Angus, Kobe, Chianina, and the prehistoric aurochs-a breed revived by the Nazis after four hundred years of extinction-Schatzker adopts his own heifer, fattens her on fruit, acorns, and Persian walnuts, and then grapples

with ambivalence when this near-pet appears on his plate. Reminiscent of both Bill Bryson's and Bill Buford's writing, Steak is a warm, humorous, and wide-ranging read that introduces a wonderful new travel and food writer to the common table. **BE RICH AND HAPPY.** Houghton

Notes from the Hyena's Belly
Penguin
Brilliant.
Colorful.
Visionary.
Tenacious.
Witty. Since his appointment to the Supreme Court in 1986, Associate Justice Antonin Scalia has been described as all of these things and for good reason. He is perhaps

the best-known justice on the Supreme Court today and certainly the most controversial. Yet most Americans have probably not read even one of his several hundred Supreme Court opinions. In *Scalia Dissents*, Kevin Ring, former counsel to the U.S. Senate's Constitution

Subcommittee, provides lets Justice Scalia speak for himself. This volume—the first of its kind—showcases the quotable justice's take on many of today's most contentious constitutional debates. *Scalia Dissents* contains over a dozen of the justice's most compelling and controversial opinions. Ring also

provides helpful background on the opinions and a primer on Justice Scalia's judicial philosophy. *Scalia Dissents* is the perfect book for readers who love scintillating prose and penetrating insight on the most important constitutional issues of our time. **Black Americans Who Shook Up**
