Your attacks and powers do not get stronger with a higher level character, only your health. To increase your other stats you will need to use Legendary Treasures, Charms, complete Bonus Missions or just equip a Hat. Each level requires more and more experience to earn, in Skylanders: Swap Force you can go up to a maximum of level 20.

Skylanders Swap Force Walkthrough Chapter
Robot Ramparts (Climb) The main difference in this Climb Zone compared to the previous one is that there are now platforms moving from side to side which makes it a bit more difficult to work out exactly which of the falling objects are going to hit it, if you're a fair distance away from it then lining yourself up with it won't really do you much good.

Canopy Hot Springs (Water) The dual element areas only have one elemental bonus however, this one's Water. While there are no enemies in here to take advantage of that fact there is another property of the Elemental Gates' elemental zone that takes place, if you have the matching element active that Skylander will every few seconds heal a small amount of health.
