Slam Walter Dean Myers Summary Each Chapter

Better White Person Harper Collins
Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget:

the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels “reaches deep into the minds of soldiers” and makes “readers feel they are there, deep in the heart of war.” Fallen Angels has won numerous awards and

honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association’s list of the most frequently challenged books of 1990–2000 for its realistic depiction of war and those who fight in wars.

Lockdown is the powerful

tale of fourteen-year-old Reese Anderson, who has spent 22 months in a tiny cell at a "progress center." Living in fear and isolation, Reese begins looking within himself to find a way out of the prison system. Acclaimed author Walter Dean Myers offers an honest story about finding a way to make it without getting lost in the shuffle. Told with compassion and truth, Lockdown is also a compelling first-person read that "could resonate

with teens on a dangerous path."* When I first got to Progress, it freaked me out to be locked in a room and unable to get out. But after a while, when you got to thinking about it, you knew nobody could get in, either. It seems as if the only progress that's going on at Progress juvenile facility is moving from juvy jail to real jail. Reese wants out early, but is he supposed to just sit back and let his friend Toon get jumped? Then Reese gets a second chance when

he's picked for the work program at a senior citizens' home. He doesn't mean to keep messing up, but it's not so easy, at Progress or in life. One of the residents, Mr. Hooft, gives him a particularly hard time. If he can convince Mr. Hooft that he's a decent person, not a criminal, maybe he'll be able to convince himself. Walter Dean Myers was a New York Times bestselling author, Printz Award winner, five-time winner of the Coretta Scott

King Award, two-time Newbery Honor recipient, and the National Ambassador for Young People's Literature. Maria Russo, writing in the New York Times, called Myers "one of the greats and a champion of diversity in children's books well before the cause got mainstream attention."

The country's best ballers are in attendance, and Danny will need to raise his game if he wants to match up. But it won't be easy. His game descriptions are fast, accurate, and exciting. Young sports-

Vietnam. A young American soldier waits for his enemy, rifle in hand, finger on the trigger. He is afraid to move and yet afraid not to move. Gunshots crackle in the still air. The soldier fires blindly into the distant trees at an unseen enemy. He crouches and waits -- heart pounding, tense and trembling, biting back tears. When will it all be over? Walter Dean Myers joined the army on his seventeenth birthday, at the onset of American involvement in Vietnam, but it was the death of his brother in 1968 that forever

changed his mind about war. In a gripping and powerful story-poem, the award-winning author takes readers into the heart and mind of a young soldier in an alien land who comes face-to-face with the enemy. Strikingly illustrated with evocative and emotionally wrenching collages by Caldecott Honor artist Ann Grifalconi, this unforgettable portrait captures one American G.I.'s haunting experience.
