one- or two-term
courses in College
Accounting, Applied

Accounting, or Bookkeeping. Accounting topics are presented in small, manageable segments (two to five units per chapter), using clear language and plentiful visuals. Each new point is reviewed and reinforced in several ways before the next concept is introduced, and each chapter ends with questions, a

self-review quiz, and practical application problems. The friendly, personal writing style and use of second colour reassures students intimidated by numbers, while an outstanding supplements package provides additional support for both students and instructors. New features include

The Big Picture at the beginning of each chapter, a Dunkin' Donuts discussion box in many chapters, a continuing problem at the end of each chapter, integration of Simply Accounting professional software, and more. All problems, solutions, and working papers have been reviewed by a Chartered

Accountant to ensure accuracy.
