In August 1968, naturalist-explorer Peter Matthiessen returned from Africa to his home in Sagaponack, Long Island, to find three Zen masters in his driveway—guests of his wife, a new student of Zen. Thirteen years later, Matthiessen was ordained a Buddhist monk. Written in the same format as his best-selling *The Snow Leopard*, *Nine-Headed Dragon River* reveals Matthiessen's most daring adventure of all: the quest for his spiritual roots.

More Than Just Making It is your invitation to

reimagine what the good life can be. Join Erin Odom, a mom thrown into low-income living, to learn how to overcome your circumstances, find creative ways to earn and save, and reset your heart and budget according to God's designs. When you're trapped in a cycle of financial frustration, and you feel like you've tried everything only to end up with more month than money yet again, *More Than Just Making It* is your promise and pathway to thriving again. Take it from someone who's been there. Erin Odom grew up in the private schools and neatly manicured lawns of Upper Middle-Class America but was thrown into low-income living during the economic crash. She was a stay-at-

home-mom, her husband was supporting the family on a teacher's salary, and even though they had no debt to their name, they were scrambling to make ends meet. Suddenly Erin found herself standing in line for food stamps, turning down play dates because she couldn't afford the gas, and ultimately walking into bankruptcy court in the eighth month of her third pregnancy. More Than Just Making It tells the story of their breaking point, as well as the triumph of their comeback. It took hard work, creativity, and faith in God's provision to reset their bank account as well as their hearts, but ultimately, they found a new way to thrive and freedom from financial

anxiety. You can do the same. Learn how Erin and her family saved enough money to put \$30,000 down on a home, buy a minivan in cash, and begin sending their daughter to private Christian school. More Than Just Making It will encourage you to rise above your circumstances, empower you with money-saving tips, and reimagine the good life as God designed it outside the myth of the American Dream.

[Keep the Happy in Your Holidays](#)

Tickling Keys, Inc. Lanen Kaelar has dreamed of dragons all her life. But not just dreaming, for Lanen believes in dragons. Her family mocks her that dragons are

just a silly myth. A legend. But Lanen knows better. And she means to prove it. One day she sets out on a dangerous voyage to the remote West to find the land of the True Dragons. What she discovers is a land of real dragons more beautiful—and surprising—than any dream she could have imagined. Su dinero, su matrimonio

Thomas Nelson

“True Detective meets Swamp Thing in the Artemis Fowl author’s neo-noirish thriller about a curmudgeonly dragon in Louisiana.” —Guardian
From the New York Times bestselling author of the

Artemis Fowl series comes a hilarious and high-octane adult novel about a vodka-drinking, Flashdance-loving dragon who lives an isolated life in the bayous of Louisiana—and the raucous adventures that ensue when he crosses paths with a fifteen-year-old troublemaker on the run from a crooked sheriff. In the days of yore, he flew the skies and scorched angry mobs—now he hides from swamp tour boats and rises only with the greatest reluctance from his Laz-Z-Boy recliner. Laying low in the bayou, this once-magnificent fire breather has been reduced to lighting Marlboros with nose sparks, swilling Absolut in a Flashdance T-shirt, and binging Netflix in a fishing shack. For centuries, he struck fear in hearts far and wide as Wyvern, Lord Highfire of the Highfire Eyrie—now he goes by Vern. However...he has survived, unlike the rest. He is the last of his kind, the last

dragon. Still, no amount of vodka can drown the loneliness in his molten core. Vern's glory days are long gone. Or are they? A canny Cajun swamp rat, young Everett "Squib" Moreau does what he can to survive, trying not to break the heart of his saintly single mother. He's finally decided to work for a shady smuggler—but on his first night he witnesses his boss murdered by a crooked constable.

Regence Hooke is not just a dirty cop, he's a despicable human being—who happens to want Squib's momma in the worst way. When Hooke goes after his hidden witness with a grenade launcher, Squib finds himself airlifted from certain death by... a dragon? The swamp can make strange bedfellows, and rather than be fried alive so the dragon can keep his secret, Squib strikes a deal with the scaly apex predator. He can act as his go-between (aka familiar)—fetch

his vodka, keep him company, etc.—in exchange for protection from Hooke. Soon the three of them are careening headlong toward a combustible confrontation. There's about to be a fiery reckoning, in which either dragons finally go extinct—or Vern's glory days are back. A triumphant return to the genre-bending fantasy

that Eoin Colfer is so well known for, *Highfire* is an effortlessly clever and relentlessly funny tour-de-force of comedy and action.

The Bone Witch Life-Line Mini-Books

A collection of forty-one fairy tales from the folklore of Japan, Scandinavia, Sicily, Africa and Spain.

The Commanding Heights Zondervan

John J. Murphy has updated his landmark bestseller *Technical Analysis of the Futures Markets*, to include all of the financial markets. This outstanding reference has already taught thousands of

traders the concepts of technical analysis and their application in the futures and stock markets.

Covering the latest developments in computer technology, technical tools, and indicators, the second edition features new material on candlestick charting, intermarket relationships, stocks and stock rotation, plus state-of-the-art examples and figures. From how to read charts to understanding indicators and the crucial role technical analysis plays in investing, readers gain a thorough and accessible overview of the field of technical analysis, with a special emphasis on futures markets. Revised and expanded for the demands of today's financial world, this book is essential reading for anyone interested in tracking and analyzing market behavior.

Beowulf HarperCollins

A thrilling, harrowing novel of war, intrigue and dark, uncontrollable magic, Toll the Hounds is the new chapter in Erikson's monumental series - epic fantasy at its most imaginative and storytelling at its most exciting. In Darujhistan, the city of blue fire, it is said that love and

death shall arrive dancing. It is summer and the heat is oppressive, but for the small round man in the faded red waistcoat, discomfort is not just because of the sun. All is not well. Dire portents plague his nights and haunt the city streets like fiends of shadow. Assassins skulk in alleyways, but the quarry has turned and the hunters become the hunted. Hidden hands pluck the strings of tyranny like a fell chorus. While the bards sing their tragic tales, somewhere in the distance can be heard the baying of Hounds...And in the distant city of Black Coral, where rules Anomander Rake, Son of Darkness, ancient crimes awaken, intent on revenge. It seems Love and Death are indeed about to arrive...hand in hand, dancing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

If the Bible isn't a science book or an instruction manual, what is it?

What do people mean when they say the Bible is inspired? When New York Times bestselling author Rachel Held Evans found

herself asking these questions, she embarked on a journey to better understand what the Bible is and how it's meant to be read. What she discovered changed her--and it can change you, too. Evans knows firsthand how a relationship with the Bible can be as real and as complicated as a relationship with a family member or close friend. In *Inspired*, Evans explores contradictions and questions from her own experiences with the Bible, including: If the Bible was supposed to explain the mysteries of life, why does it leave the reader with so many questions? What does it mean to be chosen by God? To what degree did the Holy Spirit guide the preservation of these narratives, and is there something sacred to be uncovered beneath all these human fingerprints? If the Bible has given voice to the oppressed, why is it also used as justification by their oppressors? Drawing on the best in biblical scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry,

short stories, and even a short screenplay. Undaunted by the Bible's most difficult passages and unafraid to ask the hard questions, Evans wrestles through the process of doubting, imagining, and debating the mysteries surrounding Scripture. Discover alongside Evans that the Bible is not a static text, but a living, breathing, captivating, and confounding book that can equip us and inspire us to join God's loving and redemptive work in the world.

How does an engaged or newly married couple work as a team when dealing with money?

Game Wizards Moody Publishers
Destiny Called - They Answered

In the dark recesses of Tyria, elder dragons have awoken from millennial slumbers. First came Primordus, which stirred in the Depths forcing the asura to flee to the surface. Half a century later, Jormag awoke and drove the norn from the frozen climes of the Northern Shiverpeaks, corrupting sons and brothers along the way.

A generation later, Zhaitan arose

in a cataclysmic event that reshaped a continent and flooded the capital of the human nation of Kryta. The races of Tyria stand on the edge of destiny. Heroes have battled against dragon minions, only to be corrupted into service of the enemy. Armies have marched on the dragons and been swept aside. The dwarves sacrificed their entire race to defeat a single dragon champion. The age of mortals may soon be over. This is a time for heroes. While the races of Tyria stand apart, six heroic individuals will come together to fight for their people: Eir, the norn huntress with the soul of an artist; Snaff, the asuran genius, and his ambitious assistant Zojja; Rytlock, the ferocious charr warrior in exile; Caithe, a deadly sylvari with deep secrets; and Logan, the valiant human guardian dealing with divided loyalties. Together they become *Destiny's Edge*. Together they answer the call. But will it be enough?

Help! I'm Drowning in Debt
Penguin
A clash of warriors draws closer as Rhulad Sengar, the Emperor

of a Thousand Deaths, spirals into madness, surrounded by sycophants and agents of his Machiavellian chancellor. Against this backdrop, a band of fugitives seek a way out of the empire, but on

Sourcebooks, Inc.

Focusing on local products, sustainability, and popular farm-to-fork dining trends, Earth Eats: Real Food Green Living compiles the best recipes, tips, and tricks to plant, harvest, and prepare local food. Along with renowned chef Daniel Orr, Earth Eats radio host Annie Corrigan presents tips, grouped by season, on keeping your farm or garden in top form, finding the best in-season produce at your local farmers market, and stocking your kitchen effectively. The book showcases what locally produced food will be available in each season and is amply stuffed with more than

200 delicious, original, and tested recipes, reflecting the dishes that can be made with these local foods. In addition to tips and recipes, Corrigan and Orr profile individuals who are on the front lines of the changing food ecosystem, detailing the challenges they and the local food movement face. With more than 140 color photos, *Earth Eats* showcases local food at its finest and features everything the local grower and food enthusiast needs to know all year round, including how to cook up a healthy compost heap, nurture a failing bee colony, create an all-natural deer repellent, and ferment delicious vegetables.

Slaying Excel Dragons

The real fight is the one you can't see. The supernatural realm is very real, and it directly impacts our day-to-day lives. Often spiritual

battles lie behind our everyday struggles. Though the spiritual world is invisible, we are not unaware of the enemy's schemes. Through God's Word and the power of the Holy Spirit we are equipped to be more than conquerors through Christ! With doctrinally sound, practical teaching, *Slaying Dragons* shows how the demonic realm fits into orthodox thoughts on salvation, redemption, and kingdom life. Daniel Kolenda demystifies spiritual warfare to shine light on what the enemy is doing in readers' lives and what they can do to slay every dragon they encounter. It also contains real-world examples of encounters with spiritual darkness, demonstrating examples of how "the light shines in the darkness, and the darkness has not overcome it" (John 1:5, NIV). It's easy to lose sight of the big picture as we focus on our everyday struggles. But our daily battles are part of a much bigger war, and we have been given all we need to win. *Slaying Dragons* will show readers what the enemy is trying to accomplish and how they can slay every dragon they encounter--in

their lives and in the world. This book will teach you to see and overcome the spiritual battles behind your everyday struggles. Also Available in Spanish ISBN: 978-1-62999-283-9 Other Books by Daniel Kolenda: Live Before You Die (2013) ISBN: 978-1616387167

Inspired Simon and Schuster Compelling, easy-to-read, and written by internationally recognized experts in applied science, this volume destroys the human-caused global warming theory and clears the innocent carbon dioxide molecule of all the heinous crimes it is accused of.

The Awakening Tor Books

When it comes to money management, most of us take a hands-off approach because we're just not confident that we have the know-how needed. But personal finance is actually more personal than it is finance. Tim Maurer has made a career out of distilling complex financial concepts into understandable, doable

actions. In this eminently practical book, he shows readers how to - better understand their values and goals in order to simplify their money decisions - budget major expenses intelligently - reduce and eliminate debt - make vital decisions on home, auto, and life insurance - establish a world-class investment portfolio - craft a workable retirement plan - and more Readers will be relieved to see that managing their money is actually not as complicated as they thought--and that they can take control of their financial future starting today.

The Heart of Stone Oxford University Press on Demand

Whoever said happy endings were easy was a fool or a liar. Cursed nearly a century ago by a demon he was hunting, Quinn Byrnes has waited impatiently to feel the sense of

his mate in his head. After watching his brother settle down with a mate, a spark of hope ignites in Quinn when he finally feels the connection to his own woman. Following the instincts of his inner dragon, Quinn lands in London only to discover the woman destined to break his curse is working for his enemies. Lily Delaney would do anything to guarantee her sister's safety—including working as a bounty hunter for a powerful demon. When her latest hunt ends in failure, Lily finds herself face to face with a shifter who dumps equal amounts of desire and anger in her veins. Quinn is tall, tattooed, and his dazzling green eyes challenge her to take him as a mate even as he sets her life on fire. Quinn's presence unleashes unwanted demonic attention in the form of an ancient enemy that's now turned his sights on Lily. But with her target in the wind and her sister on the chopping block as punishment, time is running out for Lily to

launch a daring rescue. As their foes circle, Quinn and Lily orbit around a truth neither wants to admit: happy endings come with a price.

Slaying Dragons Zondervan

A bold declaration of faith, 41
Will Come is a shot of encouragement and hope for everyone who desperately needs to hear “ God is with you. Your story is not over. You are not defeated. ” In the Bible, it rained for forty days and forty nights. Day 41 came and the rain stopped. The people of Israel wandered the wilderness for forty years. Day 41 came and a new generation entered the Promised Land. For forty days, Goliath bullied Israel and dared anyone to fight him. Day 41 came and David slew Goliath. Do you see the theme? Don ’ t quit. Don ’ t give up. Perhaps you ’ re stuck in a downpour or lost in one of life ’ s deserts. Maybe you ’ re facing someone or something that could take you down. You might feel stuck on your journey, but 41 will
