The Night Window Simon and Schuster

#1 New York Times bestselling author Greg Iles returns with his most eagerly anticipated novel yet and his first in five years—Natchez Burning—the first installment in an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage. Growing up in the rural Southern hamlet of Natchez, Mississippi, Penn Cage learned everything he knows about honor and duty from his father, Tom Cage. But now the beloved family doctor and pillar of the community is accused of murdering Violet Turner, the beautiful nurse with whom he worked in the dark days of the early 1960s. A fighter who has always stood for justice, Penn is determined to save his father, even though Tom, stubbornly evoking doctor-patient privilege, refuses to speak up in his own defense. The quest for answers sends Penn deep into the past—into the heart of a conspiracy of greed and murder involving the Double Eagles, a vicious KKK crew headed by one of the wealthiest and most powerful men in the state. With the aid of a local friend and reporter privy to some of Natchez's oldest and deadliest secrets, Penn follows a bloody trail that stretches back forty years, to one undeniable fact: no one—black or white, young or old, brave or not—is ever truly safe. With everything on the line, including his own life, Penn must decide how far he will go to protect those he loves . . . and see justice done, once and for all. Rich in Southern atmosphere and electrifying plot turns, Natchez Burning marks the brilliant return of a genuine American master of suspense. Tense and disturbing, it is the most explosive, exciting, sexy, and ambitious story Greg Iles has written yet.

A Garden of Vipers Sleep No More

Dick Wolf, the celebrated creator of the Law & Order television franchise, makes his literary debut with *The Intercept*, a taut, driving thriller reminiscent of the classic *The Day of the Jackal*. Days before the July Fourth holiday and the dedication of One World Trade Center at Ground Zero, an incident aboard a commercial jet reminds everyone involved that vigilance saves lives. But New York Police detective Jeremy Fisk—from the department's Intelligence Division, a well-funded anti-terror unit modeled upon the CIA—suspects that the event is a warning sign that another, potentially more extraordinary scheme has been set in motion. So when a passenger from the same plane disappears into the crowds of Manhattan, it's up to Fisk and his partner Krina Gersten to find him before the celebrations begin... And time is running out.

Turning Angel Penguin

When a young reporter is viciously murdered, Mobile, Alabama detectives Carson Ryder and Harry Nautilus find themselves drawn into the dealings of the wealthy Kincannon family, philanthropic socialites with ties to Ryder—and to his journalist girlfriend. Then Ryder is abducted—with no clues as to who did it or why. Digging to uncover the truth that could lead him to his partner, Nautilus discovers a web of connections between the dead reporter, an enigmatic behind-the-scenes powerbroker, and the Kincannons' own dark secrets. The question quickly becomes: What would the perfect family do to protect an image of perfection? The answer: Whatever it takes.

The Long Goodbye Simon and Schuster

A tale spanning a traumatic single day follows Laurel Shields, who awakens in her small-town home to discover her husband frantically preparing for what he claims is an IRS audit, but she soon realizes that he has discovered the truth about her affair with another man.

A Boy at War Harper Collins

Like the bestselling novels of Gillian Flynn and S. J. Watson, *The Book of You*—an utterly original fiction debut—is a sophisticated psychological thriller that will haunt you long after it reaches its terrifying, breathtaking conclusion. Most people dread the prospect of jury duty, but university administrator Clarissa wants nothing more than to be selected for a trial.

Every day she serves means a day away from her job and, more important, the unwanted attentions of her colleague Rafe. An academic expert on the darker side of folk tales, he has always unnerved Clarissa. She spent one drunken night with him while mourning the demise of a previous relationship, an inexplicable decision she can only attribute to her break-up. Rafe, however, sees things differently. The encounter, which may not have been as consensual as Clarissa originally believes, only serves to fuel his growing obsession with her—and he is not about to let her slip away. *The Book of You* is a visceral, riveting portrait of a woman terrorized—emotionally and physically—by a man bent on possessing her completely. It is a chilling saga of predator and prey; as a disturbingly violent crime unfolds in front of her in court, Clarissa finds herself experiencing a different, but equally harrowing, nightmare in real life. Rafe's taunts become more sinister by the day, but each carefully calibrated assault is designed to devastate her without ever crossing the line of the law. Realizing that she bears the burden of proof, Clarissa knows she is powerless unless she can hold out long enough to amass sufficient evidence against him. Piece by piece, she uncovers the twisted, macabre fairytale Rafe has spun around them both, discovering that the happy ending he envisions is more awful than she could have ever imagined. Deftly constructed around an aching narrative, *The Book of You* explores the darkest corners of the human heart, where the lines between love and suffocation, fantasy and reality, can become dangerously blurred. A riveting story about Clarissa's desperate attempts to escape the nightmare in which Rafe traps her, it is also a profoundly moving story about one woman's will to survive.

Natchez Burning Penguin

"Possibly the best shocker ever written." — *The English Review* Dr. Edmund Bickleigh married above his station. Although popular and well respected in his little Devonshire community, he seethes with resentment at the superior social status of his domineering wife, Julia. Bickleigh soothes his inferiority complex by seducing as many of the local women as he possibly can — but with the collapse of his latest fling and a fresh dose of sneering contempt from Julia, the doctor resolves to silence his wife forever and begins plotting the perfect murder. With *Malice Aforethought*, Francis Iles produced not just a darkly comic narrative of psychological suspense but also a landmark in crime fiction: for the first time, the murderer's identity was revealed at the start of the tale. Hailed as a tour de force by the British press of its day, the book retains its shock value and stands at #16 in the Crime Writers' Association ranking of the Top 100 Crime Novels of All Time.

Mortal Fear Scribner

A thrilling novel from #1 New York Times bestselling author Tami Hoag, "one of the most intense suspense writers around" (*Chicago Tribune*). Dana Nolan was a promising young TV reporter until a notorious serial killer tried to add her to his list of victims. Nearly a year has passed since she survived her ordeal, but the physical, emotional, and psychological scars run deep. Struggling with the torment of post-traumatic stress syndrome, plagued by flashbacks and nightmares, Dana returns to her hometown in an attempt to begin to put her life back together. But home doesn't provide the comfort she expects. Dana's harrowing story and her return to small-town life have rekindled police and media interest in the unsolved case of her childhood best friend, Casey Grant, who disappeared without a trace the summer after their graduation from high school. Terrified of truths long buried, Dana reluctantly begins to look back at her past. Viewed through the dark filter of PTSD, old friends and loved ones become suspects and enemies. Questioning everything she knows, refusing to be defined by the traumas of her past, Dana seeks out a truth that may prove too terrible to be believed...

The Sword Fawcett

They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around.

He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water." December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

One that now plunges him into the darkest side of love and passion...

“This novel should come with a red wrapper marked DANGER: HIGH EXPLOSIVES.” —Stephen King

The Devil's Punchbowl Harper Collins

Harry Griffin is a loner who's witnessed some of war's rawest moments. A survivor, he is guided in all things by his unflinching loyalty and honesty. But a tragic altercation in Minnesota's North Woods that leaves a young man dead and suspicions of murder hanging in the air tests Harry's courage as never before. Nothing could have prepared him for the eerie silence that has fallen over the incident, the challenge to his nerve, and the raw carnality of his best friend's wife. Digging for answers in a town ready to lash out in fear of the dark secrets he is moving ever closer to, Harry ignores the signs of danger at his own peril. Until it all ignites in a fire of unexpected betrayal and a bloody settling of accounts.

Sleep No More Penguin

Police chief Jesse Stone faces the case of his career in this thrilling novel in the New York Times bestselling series. When a woman's partially decomposed body washes ashore in Paradise, Massachusetts, police chief Jesse Stone is forced into a case far more difficult than it initially appears. Identifying the woman is just the first step in what proves to be an emotionally charged investigation. Florence Horvath was an attractive, recently divorced heiress from Florida; she also had a penchant for steamy sex and was an enthusiastic participant in a video depicting the same. Somehow the combination of her past and present got her killed, but no one is talking—not the crew of the *Lady Jane*, the Fort Lauderdale yacht moored in Paradise Harbor; not her very blond, very tan twin sisters, Corliss and Claudia; and not her curiously affectless parents, living out a sterile retirement in a Miami high rise. But someone—Jesse—has to speak for the dead, even if it puts him in harm's way.

Blood Memory Harper Collins

#1 New York Times bestselling author Greg Iles takes readers on a daringly executed roller-coaster ride as a family under attack takes justice into their own hands. It begins on a perfect night, with a perfect family about to be trapped in a perfect crime... Will Jennings is a successful young doctor in Jackson, Mississippi, with a thriving practice, a beautiful wife, and a five-year-old daughter he loves beyond measure. But Will and his family are being watched by a con man and psychopath who may be a genius. A man who has never been caught and whose victims have never talked to the police. A man whose life's work strikes at the heart of every family's unspoken fear: the unstoppable kidnapping. But this time he's picked the wrong family to terrorize. Because Will and Karen Jennings aren't going to watch helplessly as he victimizes them. They aren't going to let him get away with it. They're going to fight back...

The Intercept Penguin

Sometimes the price of justice is a good man's soul. The #1 New York Times bestselling author of the Natchez Burning trilogy returns with an electrifying tale of friendship,

betrayal, and shattering secrets that threaten to destroy a small Mississippi town. “An ambitious stand-alone thriller that is both an absorbing crime story and an in-depth exploration of grief, betrayal and corruption... Iles's latest calls to mind the late, great Southern novelist Pat Conroy. Like Conroy, Iles writes with passion, intensity and absolute commitment.” —Washington Post When Marshall McEwan left his Mississippi hometown at eighteen, he vowed never to return. The trauma that drove him away spurred him to become one of the most successful journalists in Washington, DC. But as the ascendancy of a chaotic administration lifts him from print fame to television stardom, Marshall discovers that his father is terminally ill, and he must return home to face the unfinished business of his past. On arrival, he finds Bienville, Mississippi very much changed. His family's 150-year-old newspaper is failing; and Jet Talal, the love of his youth, has married into the family of Max Matheson, one of a dozen powerful patriarchs who rule the town through the exclusive Bienville Poker Club. To Marshall's surprise, the Poker Club has taken a town on the brink of extinction and offered it salvation, in the form of a billion-dollar Chinese paper mill. But on the verge of the deal being consummated, two murders rock Bienville to its core, threatening far more than the city's economic future. An experienced journalist, Marshall has seen firsthand how the corrosive power of money and politics can sabotage investigations. Joining forces with his former lover—who through her husband has access to the secrets of the Poker Club—Marshall begins digging for the truth behind those murders. But he and Jet soon discover that the soil of Mississippi is a minefield where explosive secrets can destroy far more than injustice. The South is a land where everyone hides truths: of blood and children, of love and shame, of hate and murder—of damnation and redemption. The Poker Club's secret reaches all the way to Washington, D.C., and could shake the foundations of the U.S. Senate. But by the time Marshall grasps the long-buried truth about his own history, he would give almost anything not to have to face it.

True Evil Bantam

From the #1 New York Times bestselling author of the Natchez Burning trilogy—Natchez Burning, *The Bone Tree*, and the upcoming *Mississippi Blood*—comes this e-original novella featuring former prosecutor Penn Cage, a story of family secrets and justice denied, plus an excerpt from *Natchez Burning*. Death is the end, and if a man doesn't speak before it silences him, then his deepest secrets go with him. When a heart attack sends Penn's father, Tom Cage, to the ER, Tom begs that his son be brought to his side to hear a dying declaration. But when Penn arrives, Tom denies ever making the request—keeping his secrets for another day. The emergency hurls Penn back to a chilling case in Houston, where he worked in a DA's office known as the “death factory,” which sent more killers to death row than any other in America. While Penn cares for his ailing wife, a tormented forensic technician brings him evidence of a crime lab in chaos, throwing past convictions into doubt and begging Penn to prevent an imminent travesty of justice. With the desperation of a man fighting death in his own home, Penn must find a way to bring the machinery of the death factory to a halt.
