Sea Change Harper Collins
Resisting those who would use a revolutionary new technology for unethical purposes, doctor David Tennant and psychiatrist Rachel Weiss find themselves running for their lives from a ruthless team of NSA agents and turning to David's unusual dreams for guidance. Reprint.
The Devil's Punchbowl Harper Collins
When her father dies under suspicious circumstances, Atlanta judge Rachel Cutler finds everything she loves threatened by the rival quests of two art collectors who seek one of the world's greatest treasures, lost after the Second World War. Reissue.
Third Degree Simon and Schuster
Sometimes the price of justice is a good man's soul. The #1 New York Times bestselling author of the Natchez Burning trilogy returns with an electrifying tale of friendship, betrayal, and shattering secrets that threaten to destroy a small Mississippi town. "An ambitious stand-alone thriller that is both an absorbing crime story and an in-depth exploration of grief, betrayal and corruption... Iles's latest calls to mind the late, great Southern novelist Pat Conroy. Like Conroy, Iles writes with passion, intensity and absolute commitment." — Washington Post
When Marshall McEwan left his Mississippi hometown at eighteen, he vowed never to return. The trauma that drove him away spurred him to become one of the most successful journalists in Washington, DC. But as the ascendancy of a chaotic administration lifts him from print fame to television stardom, Marshall discovers that his father is terminally ill, and he must return home to face the unfinished business of his past. On arrival, he finds Bienville, Mississippi very much changed. His family's 150-year-old newspaper is failing; and Jet Talal, the love of his youth, has married into the family of Max

Matheson, one of a dozen powerful patriarchs who rule the town through the exclusive Bienville Poker Club. To Marshall's surprise, the Poker Club has taken a town on the brink of extinction and offered it salvation, in the form of a billion-dollar Chinese paper mill. But on the verge of the deal being consummated, two murders rock Bienville to its core, threatening far more than the city's economic future. An experienced journalist, Marshall has seen firsthand how the corrosive power of money and politics can sabotage investigations. Joining forces with his former lover—who through her husband has access to the secrets of the Poker Club—Marshall begins digging for the truth behind those murders. But he and Jet soon discover that the soil of Mississippi is a minefield where explosive secrets can destroy far more than injustice. The South is a land where everyone hides truths: of blood and children, of love and shame, of hate and murder—of damnation and redemption. The Poker Club's secret reaches all the way to Washington, D.C., and could shake the foundations of the U.S. Senate. But by the time Marshall grasps the long-buried truth about his own history, he would give almost anything not to have to face it.
The Intercept Harper Collins
From the author of the New York Times bestselling Natchez Burning trilogy and the Penn Cage series, and hailed by Dan Brown (The Da Vinci Code) for his "utterly consuming" suspense fiction, Greg Iles melds forensic detail with penetrating insight in this novel that delves in the heart of a killer in a Mississippi town. Some memories live deep in the soul, indelible and dangerous, waiting to be resurrected... Forensic dentist "Cat" Ferry is suspended from an FBI task force when the world-class expert is inexplicably stricken with panic attacks and blackouts while investigating a chain of brutal murders. Returning to her Mississippi hometown, Cat finds herself battling with alcohol, plagued by nightmares, and entangled with a married detective. Then, in her childhood bedroom, some spilled chemicals reveal two bloody footprints...and the trauma of her father's murder years earlier comes flooding back. Facing the secrets of her past, Cat races to connect them to a killer's present-day violence. But what emerges is the frightening possibility that Cat herself might have blood on her hands... "As Southern Gothic as it gets" (Kirkus Reviews), Greg Iles's *Blood Memory* "will have readers turning pages at a breakneck pace" (New Orleans

Times-Picayune).
Cloudy Rainbow Simon and Schuster
"Possibly the best shocker ever written." — The English Review
Dr. Edmund Bickleigh married above his station. Although popular and well respected in his little Devonshire community, he seethes with resentment at the superior social status of his domineering wife, Julia. Bickleigh soothes his inferiority complex by seducing as many of the local women as he possibly can — but with the collapse of his latest fling and a fresh dose of sneering contempt from Julia, the doctor resolves to silence his wife forever and begins plotting the perfect murder. With *Malice Aforethought*, Francis Iles produced not just a darkly comic narrative of psychological suspense but also a landmark in crime fiction: for the first time, the murderer's identity was revealed at the start of the tale. Hailed as a tour de force by the British press of its day, the book retains its shock value and stands at #16 in the Crime Writers' Association ranking of the Top 100 Crime Novels of All Time.
Iles Pack. Fawcett
PublisherSolstice Publishing
This revised edition celebrates the 10th anniversary of the author's first published novel. When you lose a loved one, whether it's a relative, friend, or precious pet, you wonder where that special soul has gone and if you will ever see him or her again. For Dulcie Mills, Long Island computer programmer, the answer may lie between a virtual world and the real one, between the past and the present, between dreams and reality. Unable to get over her fiancé's death and facing the impending loss of her 15-year-old cat, Dulcie escapes to a virtual world. When Dulcie's best friend accepts a job from a clairvoyant who offers predictions regarding Dulcie's dead fiancé and Dulcie becomes attracted to an online stranger, history begins to repeat itself in ways that are both promising and terrifying. What Dulcie discovers through a virtual séance may mean the only chance she has left for love or death itself. Addressing topics of reincarnation and soul transfer in similar ways as Greg Iles' *Sleep No More* and Nora

Roberts' Midnight Bayou, Cloudy Rainbow features an interesting mix of technology and the paranormal and will also appeal to cat lovers.

Black Cross Vintage Crime/Black Lizard
From the genius of Thomas Harris, the #1 New York Times bestselling author who introduced the world to Hannibal Lecter, comes the terrifying and prophetic novel that set the standard for international suspense and heralded one of the most arresting voices in contemporary fiction. It's the event of the year. Eighty thousand fans have converged in New Orleans for Super Bowl Sunday. Among them is a young man named Michael Lander. But he has not come to watch the game. A tool for a radical terrorist group, he's has come to play one. To enact revenge. To feed the rage of others. And the whole world will be watching. Unless someone stops him. But first, they have to find him.

Mississippi Blood Penguin
Like the bestselling novels of Gillian Flynn and S. J. Watson, The Book of You—an utterly original fiction debut—is a sophisticated psychological thriller that will haunt you long after it reaches its terrifying, breathtaking conclusion. Most people dread the prospect of jury duty, but university administrator Clarissa wants nothing more than to be selected for a trial. Every day she serves means a day away from her job and, more important, the unwanted attentions of her colleague Rafe. An academic expert on the darker side of folk tales, he has always unnerved Clarissa. She spent one drunken night with him while mourning the demise of a previous relationship, an inexplicable decision she can only attribute to her break-up. Rafe, however, sees things differently. The encounter, which may not have been as consensual as Clarissa originally believes, only serves to fuel his growing obsession with her—and he is not about to let her slip away. The Book of You is a visceral, riveting portrait of a woman terrorized—emotionally and physically—by a man bent on possessing her completely. It is a chilling saga of predator and prey; as a disturbingly violent crime unfolds in front of her in court, Clarissa finds herself experiencing a different, but equally harrowing, nightmare in real life. Rafe's taunts become more sinister by the day, but each carefully calibrated assault is designed to devastate her without ever crossing the line of the law. Realizing that she bears the burden of proof, Clarissa knows she is powerless unless she can hold out long enough to amass sufficient evidence against him. Piece by piece, she uncovers the twisted, macabre fairytale Rafe has spun around them both, discovering that the happy ending he envisions is more awful than she could have ever imagined. Deftly constructed around an achingly convincing narrative, The Book of You explores the darkest corners of the human heart, where the lines between love and

suffocation, fantasy and reality, can become dangerously blurred. A riveting story about Clarissa's desperate attempts to escape the nightmare in which Rafe traps her, it is also a profoundly moving story about one woman's will to survive.

The Sword HarperCollins UK
A man with a secret life risks everything to clear his name in this “ingenious suspense thriller” (The New York Times Book Review) from the bestselling author of the Penn Cage series. By day, Harper Cole trades commodities from his isolated home in the Mississippi Delta. By night he leads quite a different life, serving as a systems operator for an exclusive, anonymous erotic online service that caters to the rich and famous. But now a stranger has penetrated the network's state-of-the-art security, brutally murdering six celebrated female clients. Falsely accused of these horrible crimes, Harper realizes there's only one way to lure the elusive madman offline and into the open. But as he enacts his daring plan, Harper will put everything and everyone he holds dear directly in the path of a brilliant, unstoppable killer...

Natchez Burning Simon and Schuster
A deep river pit in Natchez, Mississippi, reputed to be the hiding spot for Jean Lafitte's hidden treasure and a dumping ground for numerous murder victims, becomes the site of a dangerous showdown for Penn Cage, in a tale beset by racial tension, betrayals and illicit sex. By the author of Third Degree. Reprint.

The Devil's Workshop Penguin
NEW YORK TIMES BESTSELLER • Jane Hawk's one-woman war comes to an explosive climax as the rogue FBI agent gambles everything against a terrifying conspiracy, for vengeance, for justice, and for humanity's freedom—from the author of The Silent Corner. “Jane Hawk is arguably the best character Koontz has created. . . . Simply put, wow.” —Associated Press A visionary young filmmaker hunted for sport across a vast Colorado ranch by the celebrated billionaire at the heart of a monstrous cabal . . . A brilliant computer hacker slipping through top-secret databases a whisper ahead of security trackers, gathering the facts to fight the all-powerful perpetrators of mass murder . . . A pair of brutal operators, methodically shadowing their targets with every cutting-edge tool in the arsenal of today's surveillance state . . . A sequence of quiet heroes—everyday citizens—stepping up, stepping forward, intent on countering the advancing darkness . . . A Vegas mob boss teamed with a homicidal sociopath, circling a beloved boy and his protectors, aiming to secure him as leverage against his fugitive mother . . . And that fugitive mother herself, ex-agent Jane Hawk, closing in on the malevolent architects of ruin she has stalked as they stalk her, prepared to sacrifice herself to finally bring them down. These are the people and circumstances of The Night Window, the thrilling new novel in Dean

Koontz's acclaimed Jane Hawk series. Replete—and then some—with the ingenious twists, the spellbinding action, the resonant themes, the sheer heart that have characterized Jane's journey from the start, The Night Window follows its extraordinary heroine to her long-sought objective, in a stunning, unforgettable finale. Don't miss any of Dean Koontz's gripping Jane Hawk thrillers: THE SILENT CORNER • THE WHISPERING ROOM • THE CROOKED STAIRCASE • THE FORBIDDEN DOOR • THE NIGHT WINDOW “The spectacular finale to Jane's story . . . will hit series fans with all the impact of a carefully calibrated hammer blow.” —Booklist (starred review) “The best installment in the series since the first . . . [Koontz] revs it up with entertaining encounters and offbeat humor.” —Kirkus Reviews

Black Sunday Sleep No More
No.1 New York Times bestseller Greg Iles has created a thriller which is ‘alarming, believable, and utterly consuming — resonates long after the final page is turned’ (Dan Brown).
Spandau Phoenix Simon and Schuster
Harry Griffin is a loner who's witnessed some of war's rawest moments. A survivor, he is guided in all things by his unfailing loyalty and honesty. But a tragic altercation in Minnesota's North Woods that leaves a young man dead and suspicions of murder hanging in the air tests Harry's courage as never before. Nothing could have prepared him for the eerie silence that has fallen over the incident, the challenge to his nerve, and the raw carnality of his best friend's wife. Digging for answers in a town ready to lash out in fear of the dark secrets he is moving ever closer to, Harry ignores the signs of danger at his own peril. Until it all ignites in a fire of unexpected betrayal and a bloody settling of accounts.

Sleep no more LP STG 5 7-10 Penguin
'Dead Sleep' is an emotionally powerful thriller which deals with murder, sex, family secrets and high-tech investigation - with an original and shocking twist.
24 Hours Penguin
They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from A Boy at War "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water." December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a

greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

The Night Window Scribner

From the #1 New York Times bestselling author of the Penn Cage series comes a gripping World War II thriller that “ vaporizes almost every cliché about the limits of the genre...[it ’ s] good enough to read twice ” (Kirkus Reviews). It is January 1944—and as Allied troops prepare for D-Day, Nazi scientists develop a toxic nerve gas that will repel and wipe out any invasion force. To salvage the planned assault, two vastly different but equally determined men are sent to infiltrate the secret concentration camp where the poison gas is being perfected on human subjects. Their only objective: destroy all traces of the gas and the men who created it—no matter how many lives may be lost...including their own.

The Quiet Game HarperCollins

Police chief Jesse Stone faces the case of his career in this thrilling novel in the New York Times bestselling series. When a woman's partially decomposed body washes ashore in Paradise, Massachusetts, police chief Jesse Stone is forced into a case far more difficult than it initially appears. Identifying the woman is just the first step in what proves to be an emotionally charged investigation. Florence Horvath was an attractive, recently divorced heiress from Florida; she also had a penchant for steamy sex and was an enthusiastic participant in a video depicting the same. Somehow the combination of her past and present got her killed, but no one is talking—not the crew of the *Lady Jane*, the Fort Lauderdale yacht moored in Paradise Harbor; not her very blond, very tan twin sisters, Corliss and Claudia; and not her curiously affectless parents, living out a sterile retirement in a Miami high rise. But someone—Jesse—has to speak for the dead, even if it puts him in harm's way.

The Bone Tree (Penn Cage, Book 5) Harper Collins

The #1 New York Times bestselling author of *Mississippi Blood*, Greg Iles, keeps the secrets of the South alive in this vibrant novel of infatuation, murder, and sexual intrigue set in his hometown of Natchez, Mississippi. *Turning Angel* marks the long-awaited return of Penn Cage, the lawyer hero of *The Quiet Game*, and introduces Drew Elliott, the highly respected doctor who saved Penn ’ s life in a hiking accident when they were boys. As two of the most prominent citizens of Natchez, Drew and Penn sit on the school board of their alma mater, St. Stephen ’ s Prep. When the nude body of a young female

student is found near the Mississippi River, the entire community is shocked—but no one more than Penn, who discovers that his best friend was entangled in a passionate relationship with the girl and may be accused of her murder. On the surface, Kate Townsend seems the most unlikely murder victim imaginable. A star student and athlete, she ’ d been accepted to Harvard and carried the hope and pride of the town on her shoulders. But like her school and her town, Kate also had a secret life—one about which her adult lover knew little. When Drew begs Penn to defend him, Penn allows his sense of obligation to override his instinct and agrees. Yet before he can begin, both men are drawn into a dangerous web of blackmail and violence. Drew reacts like anything but an innocent man, and Penn finds himself doubting his friend ’ s motives and searching for a path out of harm ’ s way. More dangerous yet is Shad Johnson, the black district attorney whose dream is to send a rich white man to death row in Mississippi. At Shad ’ s order, Drew is jailed, the police cease hunting Kate ’ s killer, and Penn realizes that only by finding Kate ’ s murderer himself can he save his friend ’ s life. With his daughter ’ s babysitter as his guide, Penn penetrates the secret world of St. Stephen ’ s, a place that parents never see, where reality veers so radically from appearance that Penn risks losing his own moral compass. St. Stephen ’ s is a dark mirror of the adult world, one populated by steroid-crazed jocks, girls desperate for attention, jaded teens flirting with nihilism, and hidden among them all—one true psychopath. It is Penn ’ s journey into the heart of his alma mater that gives *Turning Angel* its hypnotic power, for on that journey he finds that the intersection of the adult and nearly adult worlds is a dangerous place indeed. By the time Penn arrives at the shattering truth behind Kate Townsend ’ s death, his quiet Southern town will never be the same.

Sleep No More Penguin

A tale spanning a traumatic single day follows Laurel Shields, who awakens in her small-town home to discover her husband frantically preparing for what he claims is an IRS audit, but she soon realizes that he has discovered the truth about her affair with another man.

Blood Memory Simon and Schuster

“ A dead-serious thriller (with a funny bone) ” (The New York Times Book Review), from the author of the New York Times bestselling *Spellman Files* series, comes the story of a woman who creates and sheds new identities as she crisscrosses the country to escape her past. Forty-eight hours after leaving her husband ’ s body at the base of the stairs, Tanya Dubois cashes in her credit cards, dyes her hair brown, demands a new name from a shadowy voice over the phone, and flees town. It ’ s not the

first time. She meets Blue, a female bartender who recognizes the hunted look in a fugitive ’ s eyes and offers her a place to stay. With dwindling choices, Tanya-now-Amelia accepts. An uneasy and dangerous alliance is born. It ’ s almost impossible to live off the grid in the twenty-first century, but Amelia-now-Debra and Blue have the courage, the ingenuity, and the desperation, to try. Hopscotching from city to city, Debra especially is chased by a very dark secret. From heart-stopping escapes and devious deceptions, we are left to wonder...can she possibly outrun her past? The Passenger ’ s white-knuckled plot and unforeseeable twists make one thing for certain: the ride will leave you breathless. “ When the answers finally come, they are juicy, complex, and unexpected. The satisfying conclusion will leave readers rethinking everything and immediately turning back to the first page to start again. Psychological suspense lovers will tear through this thriller ” (Library Journal, starred review).
