It will not waste your time. undertake me, the e-book will unconditionally make public you additional matter to read. Just invest little grow old to read this on-line pronouncement **Sleeping Arrangements Madeleine Wickham** as skillfully as review them wherever you are now.

Sleeping Arrangements | Sophie Kinsella

The novels of Madeleine Wickham are every bit as sassy and clever as her Sophie Kinsella books. With *Sleeping Arrangements* she delivers a tantalizing tale about an outrageous family vacation one in which love lies in the most

unexpected places... Chloe needs a holiday. Her partner, Philip, has troubles at work, and the whole family wants a break.

She went on to publish six more novels as Madeleine Wickham: *A Desirable Residence*, *Swimming Pool Sunday*, *The Gatecrasher*, *The Wedding Girl*, *Cocktails for Three* and *Sleeping Arrangements*. Wickham's first novel under the pseudonym Sophie Kinsella (taken from her middle name and her mother's maiden name) was submitted to her publishers anonymously and was enthusiastically received.

Madeleine Wickham's premise in *Sleeping Arrangements* is almost as improbable, and

the scenes where she attempts to be funny are just lame (like the dinner where all the food is dyed different colors). Instead of turning pages I found myself getting vaguely depressed and wandering off to do something else.

Sleeping Arrangements
Madeleine Wickham

Sleeping Arrangements is a HUGE improvement on Wickham (Kinsella)'s *Shopaholic* series. The characters are multi-dimensional, human, and at least reasonably intelligent. That said, this book still isn't a stand out for me.
