The alpha was supposed to be mine. Our fates were decided by the Moon herself, but he chose to follow his own path to a future that didn't include me. Accepting my destined mate's rejection was the hardest thing I ever had to do, and it cost me my pack, my friends, and in the end...my home. Now, four years later I have to rejoin my old pack, forced to see him love another female. Her scent is mixed into the crevices of his skin, and every breath I take is slowly killing me little by little. How do you tell yourself not to breathe? But there's one more element to this story, something I didn't count on...and his name is Dallas Valentine. I'm drawn to him in a way I can't explain. There's something about him, about the scent of his secrets that lures me in, tempting my most primal instincts. But he's not destined for me, and what chance do I stand against fate?

Alice is a half-demon. A loner with one goal. Defeat her demon sire. But a chance encounter with a mysterious warrior changes everything. Alice Blackburn has only ever known one thing. Demonland. All of her time is spent slaying demons and preparing for the day when she'll have to defeat hers. Except she doesn't know which of the seven deadly demons he is until the gorgeous warrior, Kade Everett fights his way into her life. Now Wrythe, king of the Dark Moths, has ordered her to find out who Kade is and what he wants. A seemingly straightforward task, except it isn't. Because she quickly develops feelings for him. Which isn't part of the plan. With time running out, it seems like Wrythe knows more than he's telling her, and Kade certainly does. Can she find out the truth they're hiding before her demon sire kills her? ???

Her mother told her it's the little things that make a relationship last. The sweet note left on a pillow. A flower tucked in with lunch. A romantic phone call or a text filled with kind words. Sophie should've realized it's the little lies that show the true colors of a man. She didn't. And now she's paying for it a little at a time. His harsh words between whispers of love. A slap on the face before taking her into the bedroom. It's the little things, the little lies that just might kill Sophie.

Venus has become immortal, just as she always wanted. In the process she hurt Zaren, lost Michael, and destroyed her family. At least that's what she believed. Turns out Ramien, the god of her planets' underworld, has her parents, and Michael. To save them, Venus makes a deal. She must complete three trials. They seem impossible. They certainly won't be easy. Worst of all, someone she loves won't make it out alive.

Two men from completely different backgrounds. One chance to defeat her demon sire. Alice has a shot at completing her final trial, but the angel realm is no Wonderland. After a heartbreaking loss, Alice is mostly recovered and happier than she's ever been. Until the Devil forces her into the angel realm.

Ordered to attend the Seraph Academy with other misfit students, Alice soon discovers angels have weaknesses too. There's a war raging between two factions, and Alice is caught in the middle thanks to a centuries-old prophecy. With the help of a talking weapon, Alice must figure out how she fits into the angel realm, complete the Devil's final trial, and hope her heart and the man she loves can remain intact when it's all over.

From the creator of the popular rock 'n' roll true crime podcast, DISGRACELAND comes an off-kilter, hysterical, at times macabre book of stories from the highly entertaining underbelly of music history. You may know Jerry Lee Lewis married his thirteen-year-old cousin but did you know he shot his bass player in the chest with a shotgun or that a couple of his wives died under extremely mysterious circumstances? Or that Sam Cooke was shot dead in a seedy motel after barging into the manager's office naked to attack her? Maybe not. Would it change your view of him if you knew that, or would your love for his music triumph? Real rock stars do truly insane things and invite truly insane things to happen to them; murder, drug trafficking, rape, cannibalism and the occult. We allow this behavior. We are complicit because a rock star behaving badly is what's expected. It's baked into the cake. Deep down, way down, past all of our self-righteous notions of justice and right and wrong, when it comes down to it, we want our rock stars to be bad. We know the music industry is full of demons, ones that drove Elvis Presley, Phil Spector, Sid Vicious and that consumed the Norwegian Black Metal scene. We want to believe in the myths because they're so damn entertaining. DISGRACELAND is a collection of the best of these stories about some of the music world's most beloved stars and their crimes. It will mix all-new, untold stories with expanded stories from the first two seasons of the Disgraceland podcast. Using figures we already recognize, DISGRACELAND shines a light into the dark corners of their fame revealing the fine line that separates heroes and villains as well as the danger Americans seek out in their news cycles, tabloids, reality shows and soap operas. At the center of this collection of stories is the ever-fascinating music industry--a glittery stage populated by gangsters, drug dealers, pimps, groupies with violence, scandal and pure unadulterated rock 'n' roll entertainment.

#1 New York Times Bestseller " Funny and smart as hell " (Bill Gates), Allie Brosh ' s Hyperbole and a Half showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog Hyperbole and a Half the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, " The God of Cake, " " Dogs Don ' t Understand Basic Concepts Like Moving, " and her astonishing, " Adventures in Depression, " and " Depression Part Two, " which have been hailed as some of the most insightful meditations on the disease ever written. Brosh ' s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn ' t me wrote it—but I soon discovered that I ' m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

A wicked queen with a blood-sucking request. A hot new guy at the Academy. Will Snow get her happily ever after, or will she wind up killing her crush? Vampires? Magic? I didn't believe in fairy tales. That was my first mistake. My name is Snow White. At the Academy, I'm the butt of jokes and the klutz no one wants to date until Chace Charming walks into my life and changes everything. Now I'm different. Now I let a complete stranger drink my blood. Not only that, but the vampire queen wants to claim me as her next victim, and the only way to stop her is to become something not quite human. With my life turned upside down, it's clear the supernatural is everywhere, and the pull to become a vampire is irresistible. I must decide whether to remain in the mundane realm of humans or change into the creature I was marked to be. Blood and Snow is the first book in the #1 bestselling Seven Magics Academy series. Vampire Academy (book 1) Harper Collins

Ted Dekker's bestselling and most beloved series—together in one volume. It's an epic tale of evil and rescue, betrayal and love, and a terrorist threat unlike anything the human race has ever known. Thomas Hunter is an unlikely hero who finds himself pulled between two worlds. In our reality, he works in a coffeehouse. In the other, he becomes a battle-scarred general leading a band of warriors known as the Circle. Every time he falls asleep in one reality, he wakes in the other—and both worlds are facing catastrophic disaster. In one world, Thomas must race to outwit sadistic terrorists intent on creating a global pandemic by releasing an unstoppable virus. In the other, far into the future, a forbidden love could forever destroy the Circle's ragtag resistance. Thomas can bridge both worlds, but he quickly realizes that he may not be able to save either. In this mind-bending adventure, the fate of both worlds now rests on his ability to shift realities through his dreams—and somehow, find a way to change history. Four novels. Two worlds. One story. Praise for the Circle series: "As a producer of movies filled with incredible worlds and heroic characters, I have high standards for the fiction I read. Ted Dekker's novels deliver big with mind-blowing, plot-twisting page-turners. Fair warning—this trilogy will draw you in at a breakneck pace and never let up. Cancel all plans before you start because you won't be able to stop once you enter Black." —Ralph Winter, Producer—X-Men, X2: X-Men United, Star Trek V: Final Frontier Bestselling epic fantasy series One volume that contains all four novels in *The Circle* series: *Black*, *Red*, *White*, and *Green* Includes an alternate ending to *Green* Bonus interview with the author
