Star Trek: Kirk Fu Manual "O'Reilly Media, Inc."

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and

wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

PC World Farrar, Straus and Giroux (BYR) WINNER OF THE SAMUEL ELIOT MORISON AWARD FOR NAVAL LITERATURE "I devoured *Act of War* the way I did *Flyboys*, *Flags of Our Fathers* and *Lost in Shangri-la*."—Michael Connelly, #1 New York Times Bestselling Author In 1968, the small, dilapidated American spy ship USS Pueblo set out to pinpoint military radar stations along the coast of North Korea. Though packed with advanced electronic-surveillance equipment and classified intelligence documents, its crew, led by ex-submarine officer Pete Bucher, was made up mostly of untested young sailors. On a frigid January morning, the Pueblo was challenged by a North Korean gunboat. When Bucher tried to escape, his ship was quickly surrounded by more boats, shelled and machine-gunned, forced to surrender, and taken prisoner. Less than forty-eight hours before the Pueblo's capture, North Korean commandos had nearly succeeded in assassinating South Korea's president. The two explosive incidents pushed Cold War tensions toward a flashpoint. Based on extensive interviews and numerous government documents released through the Freedom of Information Act, *Act of War* tells the riveting saga of Bucher and his men as they struggled to survive merciless torture and horrendous living conditions set against the backdrop of an international powder keg.

In unabashed celebration of Captain James T. Kirk's singular fighting skills, *Star Trek: Kirk Fu Manual* is every Starfleet cadet's must-have training guide for surviving the final frontier. As captain of the legendary U.S.S. Enterprise, James T. Kirk engaged in his share of fisticuffs, besting opponents with a slick combination of moves and guile that remains unmatched. Is there anyone you'd rather have watching your back as you take on Klingons, alien gladiators, genetically engineered supermen, and even the occasional giant walking reptile? *Kirk Fu* is a series of unarmed combat techniques developed by one of

Starfleet's most celebrated starship captains over several years of encounters with alien species on any number of strange new worlds. A blend of various fighting styles, *Kirk Fu* incorporates elements of several Earth-based martial arts forms as well as cruder methods employed in bars and back alleys on planets throughout the galaxy. It is as unorthodox in practice as it is unbelievable to behold. Including excerpts from Kirk's own notes and personal logs, the *Star Trek: Kirk Fu Manual* is the perfect training guide for surviving the depths of space. With proper training and practice, every Starfleet cadet can become one with *Kirk Fu*.

The first comprehensive introduction to the origins, aspirations, and evolution of live coding. Performative, improvised, on the fly: live coding is about how people interact with the world and each other via code. In the last few decades, live coding has emerged as a dynamic creative practice gaining attention across cultural and technical fields—from music and the visual arts through to computer science. *Live Coding: A User's Manual* is the first comprehensive introduction to the practice, and a broader cultural commentary on the potential for live coding to open up deeper questions about contemporary cultural production and computational culture. This multi-authored book—by artists and musicians, software designers, and researchers—provides a practice-focused account of the origins, aspirations, and evolution of live coding, including expositions from a wide range of live coding practitioners. In a more conceptual register, the authors consider liveness, temporality, and knowledge in relation to live coding, alongside speculating on the practice's future forms.

All in all, sixteen-year-old Andrew Lang has been dealt a pretty good hand in life. Sure, he has to spend his afternoons slaving away in the hellhole that is his dad's dry-cleaning business, but even that's not so bad with Jasmine, the seriously hot Goth-chick senior, working right beside him. So what if she's got a boyfriend? Plus, Andrew's got an ace up his sleeve – he's good at poker. Very good. Unfortunately, all it takes is one bad beat at Shushie's illegal poker club to turn Andrew's bankroll from huge to nonexistent. And Andrew's pretty sure that sooner or later his dad's going to notice that \$600 he "borrowed" from the register. Andrew thinks he may know how to get the money back, but it's a little bit crazy, and a little bit dangerous . . .

In this breakneck-paced novel about gambling and growing up, the stakes are high, and Andrew must ask himself: What does going all in really mean?

Alain de Botton explores our relationship with 'the news' in this book full of his trademark wit and wisdom. Following on from his bestselling *Religion for Atheists*, Alain de Botton turns now to look at the manic and peculiar positions that 'the news' occupies in our lives. We invest it with an authority and importance which used to be the preserve of religion - but what does it do for us? Mixing current affairs with philosophical reflections, de Botton offers a

brilliant illustrated guide to the precautions we should take before venturing anywhere near the news and the 'noise' it generates. Witty and global in reach, *The News* will ensure you'll never look at reports of a celebrity story or political scandal in quite the same way again. Praise for *Religion for Atheists*: 'Smart and stimulating . . . a sensitive analysis of the deeply human needs that faith meets' *Financial Times* 'A serious and optimistic set of practical ideas that could improve and alter the way we live . . . energetic and on the side of the angels' Jeanette Winterson, *The Times* 'Packed with tantalising goads to thought and playful prompts to action' Independent Alain de Botton's bestselling books include *Religion for Atheists*, *How Proust Can Change Your Life*, *The Art of Travel*, and *The Architecture of Happiness*. He lives in London and founded *The School of Life* (www.theschooloflife.com) and *Living Architecture* (www.living-architecture.co.uk). For more information, consult www.alaindebotton.com.
