Most pastors know when they enter the ministry that they will spend time helping others through times of suffering. What they usually do not realize, though, is that they too will suffer. Caught off guard, many of them end up deeply hurt and quit the ministry, deciding that perhaps they misunderstood God's call on their lives or that they simply do not have what it takes. But church history is filled with compelling stories of men who were profoundly afflicted while they carried out their ministry and yet persevered faithfully until death. Now the editors of The Gospel Coalition have collected inspiring stories of twelve faithful men who endured great suffering for the cause of Christ. The stories of the apostle Paul, John Calvin, Charles Spurgeon, John Bunyan, Wang Mindao, and others show that suffering in the context of ministry is expected--and it's never wasted. Pastors and ministry leaders, as well as those who support them, will find in this collection encouragement to run the race with endurance.

If you search for a car that can hold its own, when parked next to a Porsche 911 Cabrio, don't look any further. Because the SL R230 is regarded by many as the best looking SL that has left Stuttgart after the famous SL Gullwing. On top it is immense fun to drive, with powerful V8s and V12s to match the looks. Like the drive-train they are almost bullet-proof. Early cars suffered from quality problems that could spoil the fun factor somewhat. But all in all the R230 plays its GT role rather well, even with six-cylinder engines. And the AMG versions are true sports cars. This book with comprehensive buyer's guide can help you to find the right one, if the R230 interests you. It was already published as e-book in 2012 and has been completely revised in Nov.2015. The book explains the VIN and data card in great detail, discusses the

Deftly weaving together the personal and the economic, Nesi takes us on a fascinating journey to understanding.
