He was born that way. Invisible. Cursed. Elizabeth sometimes wishes for invisibility. When you're invisible, no one can hurt you. So when her mother decides to move the family to New York City, Elizabeth is thrilled. It's easy to blend in there. Then Stephen and Elizabeth meet. To Stephen's amazement, she can see him. And to Elizabeth's amazement, she wants him to be able to see her—all of her. But as the two become closer, an invisible world gets in their way—a world of grudges and misfortunes, spells and curses. And once they're thrust into this world, Elizabeth and Stephen must decide how deep they're going to go—because the answer could mean the difference between love and death. Praise for INVISIBILITY * " Levithan and Cremer again prove themselves masters of their craft. The collaboration of Levithan and Cremer creates a seamless narrative." --Booklist "Once in a while, along comes a book like this one, written by two great authors, with a fun premise and nice execution, and I don't feel like I need to cover my enjoyment of it with a cough and a sheepish grin. So thanks for that, Andrea Cremer and David Levithan!" --ForeverYA "Cremer and Levithan craft a tale of love and magic in their first collaborative effort." --School Library Journal "A fast-paced supernatural thriller that will surely leave readers wanting more.[A] love child of Buffy the Vampire Slayer and Levithan's Every Day." --Kirkus Reviews

The Meaning of Maggie (Sneak Preview) Penguin

I'm Adrienne Haus, survivor of a mother-daughter book club. Most of us didn't want to join. My mother signed me up because I was stuck at home all summer, with my knee in a brace. CeeCee's parents forced her to join after cancelling her Paris trip because she bashed up their car. The members of "The Unbearable Book Club," CeeCee, Jill, Wallis, and I, were all going into eleventh grade A.P. English. But we weren't friends. We were literary prisoners, sweating, reading classics, and hanging out at the pool. If you want to find out how membership in a book club can end up with a person being dead, you can probably look us up under mother-daughter literary catastrophe. Or open this book and read my essay, which I'll turn in when I go back to school.

The Heart Is Not a Size Little, Brown Books for Young Readers

Wife | Daughter | Self investigates identity and the writing life through the perspective of one of the nation's top memoir teachers and critics. How are we shaped by the people we love? Who are we when we think no one else is watching? How do we trust the choices we make? The answers shift as the years go by. The stories remake themselves as we remember. Curiously, inventively, Beth Kephart reflects on the iterative, composite self in her new memoir—traveling to lakes and rivers, New Mexico and Mexico, the icy waters of Alaska and a hot-air balloon launch in search of understanding. She is accompanied, often, by her Salvadoran-artist husband. She spends time, a lot of time, with her widowed father. As she looks at them she ponders herself and comes to terms with the person she is still becoming. At once sweeping and intimate, Wife | Daughter | Self is a memoir built of interlocking essays by an acclaimed author, teacher, and critic.
