Houston bounty
hunter Dixie
Flannigan is a legend
in the jails and
courtrooms for her
combination of
brains, cunning, and
macho style. But

she's about to learn
that there are limits to
even her toughness.
Parker Dann, accused
of killing a child in a
drunk-driving
accident, is a bail
jumper, fleeing the
prospect of a long
prison term. Dixie
tracks Dann to the
wilds of North Dakota
and has him safely
cuffed and shackled in
the back of her

Mustang, when a massive Blue Norther blizzard hits. It will take every ounce of Dixie's Superbitch abilities to get them back to Texas in one piece, preferably before her bitch facade cracks...and before she starts believing that Parker Dann--drunk, child-killer, and bail jumper--is innocent. From the Paperback edition.

The ... Directory of Auto Aftermarket Suppliers Arcadia Publishing

Several railroads were chartered by the Republic of Texas, but the first line built was the Buffalo Bayou, Brazos and Colorado, which began construction near the Port of Houston Turning Basin in 1851. The BBB&C would become the oldest

segment of the country's first transcontinental railroad under sole ownership: the Southern Pacific's Sunset Route, connecting New Orleans and Los Angeles and completed in 1883. By the time oil was discovered near Beaumont in 1901, Houston was such a transportation hub that it became the heart of the petrochemical industry. Houston saw narrow-gauge lines, two interurban lines, light rail, and even a monorail. For many years, the chamber of commerce proudly proclaimed that Houston was the place where seventeen railroads meet the sea. More than 30 beautiful trains with names like Sunset Limited, Sunbeam, Sam

Houston Zephyr, Twin Star Rocket, Bluebonnet, Texas Rocket, and Texas Chief would serve three depots.
