and have more fun doing crosswords. It will also pull back the curtain on puzzle – making itself, outlining the history of crosswords, showing how they have evolved over the past century, and how rules and the mindsets of puzzle editors have changed over time. It will pass along the guidelines the author provides to his stable of puzzle constructors, and tidbits such as the "100 essential words" for the pursuit of crossword happiness. Finally, it will recount the decade – long battle between

Old Guard and New Wave constructors, bringing in a cast of colorful characters living in a world of words. The book will be a combination of crossword self – help, wisdom, trivia and stories that will fascinate today's millions of avid puzzlers.

Popular Educator Taylor & Francis Ready for a challenge? This large-print book offers 208 word squares of size 4x4, 5x5, and 4x6. But small doesn't necessarily mean easy. Squares are un-numbered and clues are given in random order. So solvers need to both decipher the clues and determine where the words go. Hints are provided by seeding one or more squares with a letter. Not difficult enough for you yet?
