In The Smallville Chronicles: Critical Essays on the Television Series, scholars examine the multiple narratives of the Smallville universe. Addressing issues related to gender, sexuality, national identity, myth, history, and politics, these essays explore how the series uses the Superman story to comment on contemporary social issues. Additional essays investigate the complex relationship the show's audience has with the characters through blogging, fan fiction, visits to filming locations, and the creation of websites.

The Writer's Guide to Psychology Taylor Trade Publishing

Groundbreaking! Does for TV shows what Leonard Maltin ' s guides do for movies! Forget movies! Sales of TV DVDs are outpacing all other categories, according to Video Store magazine. The Simpsons, 24, Lost, Desperate Housewives, Alias, even old chestnuts like Columbo and Home Improvement are blowing out of the stores as fans and collectors rush to buy their favorite shows, compact and complete. How do buyers know which shows are the best, which season contains that favorite moment, which episode features that guest star? They don ' t—not without their trusty copy of 5,000 Episodes No Commercials which gives full information on every sitcom and drama released on DVD, whether in season-by-season sets, individual episodes, best-of compilations, specials, or made-for-TV movies. Almost 500 pages of listings include year of original airing, information on audio and video quality, extras, Easter eggs, and more. Every couch potato is sure to heave up off the sofa just long enough to buy 5,000 Episodes No Commercials!

Television Titan Books

In a universe full of superheroes, Lois Lane has fought for truth and justice for over 75 years on page and screen without a cape or tights. From her creation by Jerry Siegel and Joe Shuster in 1938 to her forthcoming appearance in Batman v Superman: Dawn of Justice in 2016, from helming her own comic book for twenty-six years to appearing in animated serials, live-action TV shows, and full-length movies, Lois Lane has been a paragon of journalistic integrity and the paramour of the world's strongest superhero. But her history is one of constant tension. From her earliest days, Lois yearned to make the front page of the Daily Planet, but was held back by her damsel-in-distress role. When she finally became an ace reporter, asinine lessons and her tumultuous romance with Superman dominated her storylines for decades and relegated her journalism to the background. Through it all, Lois remained a fearless and ambitious character, and today she is a beloved icon and an inspiration to many. Though her history is often troubling, Lois's journey, as revealed in Investigating Lois Lane, showcases her ability to always escape the gendered limitations of each era and of the superhero genre as a whole.

Digital Participatory Culture and the TV Audience Edinburgh University Press

In this study, Falero explores how online communities of participatory audiences have helped to re-define authorship and audience in the digital age. Using over a decade of ethnographic research, Digital Participatory Culture and the TV Audience explores the rise and fall of a site that some heralded as ground zero for the democratization of television criticism. Television Without Pity was a web community devoted to criticizing television programs. Their mission was to hold television networks and writers accountable by critiquing their work and “not just passively sitting around watching.” When executive producer Aaron Sorkin entered Television Without Pity’s message boards on The West Wing in late 2001, he was surprised to find the discussion populated by critics rather than fans. His anger over the criticism he found there wound up becoming a storyline in a subsequent episode of The West Wing wherein web critics were described as “obese shut-ins who lounge around in muumuus and chain-smoke Parliaments.” This book examines the culture at Television Without Pity and will appeal to students and researchers interested in audiences, digital culture and television studies.

Smallville Springer

"Smallville is based on the popular DC Comics character, Superman. The series follows the life of a teenage Clark Kent living in the town of Smallville, Kansas that is set at the

start of the 21st century. It shows Clark Kent coping with adolescence while he is developing super powers (X-ray vision, super speed, etc.), exploring his extraterrestrial origins, and struggling to find his destiny."--Website.

The Ultimate Girls' Movie Survival Guide Scarecrow Press

After Clark Kent is selected to star in the school play opposite Lana Lang, he must deal with both stage fright and with the mysterious accidents that have been striking several other cast members.

Smallville Praetorian Publishing

Twelve years ago a child from a distant planet fell to Earth in a lethal hail of meteors. And one sleepy town in Kansas was transformed forever. Smallville - it's not the place it was. Just ask the locals...

Spiritual guru Donald Jacobi announces that fragments from Smallville's famed glowing meteorites are the key to eternal health and cosmic strength. Setting up a website to sell the green rocks, Jacobi soon amasses a fortune ... and a startling control over his desperate followers. Investigating these events, Clark discovers that fraud and dashed hopes are the least of the dangers the rocks pose. But can he find a way to stop Jacobi - before the transforming power of the meteors is spread around the world?
