### How reliable are Smart cars? An honest look at the city ...

There is no smaller car on sale in the UK than the Smart ForTwo and its diminutive size and remarkable packaging are the chief reasons for its appeal. Now, to add even more appeal to the range, Smart is offering a diesel

engine option for the first time, promising even greater frugality and efficiency. There's no question that the various changes made to the ForTwo concept have resulted in a better car.
