A new book from #1
New York Times
bestselling author
Jenny Lawson,
destined to be a
classic—part
therapy, part best
friend, part humor,
part coloring book.
When Jenny Lawson
is anxious, one of

the things she does
is to draw.
Elaborate doodles,
beautiful
illustrations,
often with captions
that she posts
online. At her
signings, fans show
up with printouts
of these drawings
for Jenny to
autograph. And
inevitably they ask
her when will she
publish a whole
book of them. That
moment has arrived.

You Are Here is
something only
Jenny could create.
A combination of
inspiration,
therapy, coloring,
humor, and advice,
this book is filled
with Jenny's
amazingly intricate
illustrations, all
on perforated pages
that can be easily
torn out, hung up,
and shared. Drawing
on the tenets of
art therapy—which
you can do while

hiding in the pillow
fort under your
bed—You Are Here is
ready to be made
entirely your own.
Some of the
material is dark,
some is light; some
is silly and
profane and
irreverent.
Gathered together,
this is life,
happening right
now, all around, in
its messy glory, as
only Jenny Lawson
could show us.
