Compiled for the De Montfort University
Routledge
'Criminal Law' is written with the needs of the student foremost in mind to provide, more than ever, as modern and

exposition of the criminal law as he or she could possibly require.
The Fundamental Concept of Crime in International Criminal Law
Oxford University Press, USA
This book examines the rapid development of the fundamental concept of a crime in international criminal law from a comparative law perspective. In this context, particular thought has been given to the catalyzing impact of the criminal law theory that has developed in major world legal systems

upon the crystallization of the substantive part of international criminal law. This study offers a critical overview of international and domestic jurisprudence with regard to the construal of the concept of a crime (actus reus, mens rea, defences, modes of liability) and exposes roots of confusion in international criminal law through a comprehensive comparative analysis of substantive criminal laws in selected legal jurisdictions.
Text, Cases, and

Materials Sweet & Maxwell
This comprehensive casebook provides extracts from all of the key cases along with other essential materials from statutes, reports, books, and articles. Notes and questions provide context and encourage deep learning. It is the perfect companion to a textbook such as Smith and Hogan Criminal Law.

Text, Cases, and Materials

Cambridge University Press
Fresh, modern, and practical, Public Law provides law

undergraduates with a unique approach to constitutional and administrative law, aptly demonstrating why this is an exciting time to be studying the subject. Writing in a fluid, succinct style, the authors carve a logical pathway through the key areas studied on the LLB, guiding students to a solid understanding of the fundamental principles. This theoretical grounding is then rooted in reality, with each concept applied to a hypothetical scenario (included at the start of each chapter) to set it into a practical context. While this practical element helps students to understand how the law applies and develop problem-solving skills, a trio of supportive learning features also encourages active engagement with and a critical appreciation of public law. 'Key case' boxes highlight and analyse the significant case law in each area; "Counterpoint" boxes flag alternative viewpoints and areas of debate; and "Pause for reflection" boxes prompt readers to consider the impact of laws, and what potential developments and reforms may lie ahead. Public Law's modern approach and unique combination of practical application

and theoretically critical discussion makes it the ideal choice for students seeking to understand concepts not only in the abstract but in practice, helping them to develop the skills they need to succeed at university and beyond. Online Resources This title is supported by an online resources platform for students featuring guidance on approaching and analysing the real life scenarios in the book, a bank of multiple choice questions, legal updates, and links to useful material elsewhere on the web. Smith, Hogan, & Ormerod's Criminal

Law Oxford University Press Smith and Hogan Criminal Law: Text and Materials is an essential, accessible guide to the criminal law. The eminently clear text that is the hallmark of the Smith & Hogan approach is supplemented by extracts from all of the key criminal law cases, together with other essential materials from statutes, reports, and articles. Introductory notes, commentary, summaries, and questions help students to contextualize the materials and to apply the law confidently, gaining an in-depth insight into the problems that the law poses and faces. The contents of the eleventh edition have been substantially

revised and restructured to present the materials in an order that closely matches the structure of contemporary courses on criminal law. The overall approach that the book takes has been adjusted to include significantly more explanatory text, thus ensuring that the book is suitable for use as a core textbook. The latest legislation and all of the recent cases that continue to shape the law are included, providing the law student with everything they need to develop a thorough understanding of the key cases and the legal principles that they illustrate. Commonwealth Caribbean Law and Legal Systems Springer Science & Business Media

If you could change one part of the criminal law, what would it be? The editors put this question to nine leading academics and practitioners. The first nine chapters of the collection present their responses in the form of legal reform proposals, with topics ranging across criminal law, criminal justice and evidence – including confiscation, control orders, criminal attempts, homicide, assisted dying, the special status of children, time restrictions on prosecution, the right to silence, and special measures in court. Each chapter is

followed by a comment from a different author, providing an additional expert view on each reform proposal. Finally, the last two chapters broaden the debate to discuss criminal law reform in general, examining various reform bodies and mechanisms across England, Wales and Scotland. *Criminal Law Reform Now* highlights and explores the current reform debates that matter most to legal experts, with each chapter making a case for positive change. *Anglo-German Dialogues* Bloomsbury Publishing

Offers students with a logical introduction to contract law. Exploring various developments and case decisions in the field of contract law, this title combines an examination of authorities and commentaries with a modern contextual approach. *Public Law Oxford* University Press
A comparative and collaborative study of the foundational principles and concepts that underpin different domestic systems of criminal law. *Modern Land Law* Routledge
A companion to *Smith and Hogan: Criminal Law* this work provides all the necessary materials; cases, statutes, reports,

extracts from books and articles, for an in-depth study of the general principles of criminal law. This edition has been updated to incorporate new legislation such as the Sexual Offences Act 2003 and relevant new case law.

Smith Et Hogan's Essentials of Criminal Law
Oxford University Press

Smith and Hogan: Criminal Law provides the necessary materials--cases, statutes, reports, extracts from books and articles--for an in-depth study of the general principles of criminal law. The introductory notes and commentary

link the materials enabling the reader to gain an insight into the problems arising from them. They also serve to highlight the numerous points of controversy or difficulty.

The Elements of Legal Writing
Oceana Publications

Fully updated and revised to fit in with the new laws and structure in the Commonwealth Caribbean law and legal systems, this new edition examines the institutions, structures and

processes of the law in the Commonwealth Caribbean. The author explores: - the court system and the new Caribbean Court of Justice which replaces appeals to the Privy Council - the offshore financial legal sector - Caribbean customary law and the rights of indigenous peoples - the Constitutions of Commonwealth Caribbean jurisdictions and Human Rights - the impact of the historical continuum to the region's jurisprudence including the

question of reparations - the complexities of judicial precedent for Caribbean peoples - international law as a source of law - alternative dispute mechanisms and the Ombudsman Effortlessly combining discussions of traditional subjects with those on more innovative subject areas, this book is an exciting exposition of Caribbean law and legal systems for those studying comparative law. The Modern Law of Contract Smith & Hogan Criminal Law Cases and Materials A

companion to Smith and Hogan: Criminal Law this work provides all the necessary materials; cases, statutes, reports, extracts from books and articles, for an in-depth study of the general principles of criminal law. This edition has been updated to incorporate new legislation such as the Sexual Offences Act 2003 and relevant new case law. Smith and Hogan's Criminal Law This title has been completely updated in order to include all legislative and case law developments. Changes brought about through the Crime and Courts Act 2013 and the Legal Aid, Sentencing and Punishment of Offenders Act 2012 have been fully incorporated. There is

detailed analysis of the many recent case developments (more than 150 new cases are digested in this edition), in particular, a revision of the chapter dealing with secondary liability and joint enterprise. Smith and Hogan's Criminal Law Oxford University Press An array of carefully selected case report and academic article extracts combined with author commentary to provide a thorough and engaging assessment of criminal law provisions. Smith and Hogan's Criminal Law Butterworth-Heinemann Public Law: Text, Cases, and Materials offers a fresh approach

to the study of constitutional and administrative law by exploring how the law works in practice. The inclusion of extracts from key cases, government reports and academic articles demonstrates the law in action and the incisive commentary that accompanies them explains the significance of each. The expert authors have distilled their knowledge of the institutions and legal principles into concise, focused prose, and they encourage reflection through regular questions and hypothetical examples. This leading text provides students with a thorough and wide-ranging knowledge of public law, together with a full understanding of the theoretical and

political debates in this fascinating and dynamic area of law. Online Resource Centre This book is accompanied by an Online Resource Centre which provides a link to the authors' Twitter feed, web links to useful sites and, for lecturers, a test bank of multiple choice questions with answers and feedback. The Criminal Law of Sierra Leone Oxford University Press, USA This work, a companion to Smith and Hogan: Criminal Law, is a collection of materials on those parts of the substantive criminal law which make up undergraduate courses. In addition to cases, the

materials include statutes, reports, books and articles arranged by subject matter. Introductory notes and commentary link the materials, and questions and problems illuminate and provoke thought about the issues raised. There have been major legislative changes in criminal law, eg. offences against the person, crime, disorder and theft. This edition brings the work up to date in the light of large changes in statute and case law.
