Bosma was a happy  
young father with a  
promising future when he  
listed his pickup truck for  
sale online, went for a test  
drive with two strangers,  
and never returned. The  
story of the Hamilton  
man's strange  
disappearance in May  
2013 captured headlines  
across the country and  
took over social media,

resonating with everyone who had ever taken a test drive or bought and sold goods online. When Dellen Millard and Mark Smich were eventually arrested and charged with Bosma's murder, the mystery only deepened. Millard was the wealthy heir to an aviation business. Smich was his ne'er-do-well best friend from a middle-class family. There was no obvious reason why the pair had made it their deadly mission to steal a truck, murder its owner, and incinerate the body. Tim Bosma was their randomly chosen "thrill kill" target. Veteran journalist and private investigator Ann Brocklehurst had a front-row seat at Millard's and Smich's 2016 trial, where many of the questions about their shocking crime were finally answered. Others still linger, waiting to be further explained at two more murder trials set for 2017. Both Millard and Smich have been charged with the first-degree murder of Laura Babcock, who disappeared in summer 2012. And Millard alone faces murder charges in the death of his father, which previously

has been ruled a suicide. Compelling and suspenseful, *Dark Ambition* chronicles an unfathomable crime and its chilling perpetrators. **Deadly Cold** Simon and Schuster Mark Z. A forward step in unison. The tall visitor and the lounge room disappeared. Standing in heavy rain on a cobblestone street was something of a shock. A savage crack and a flare of lightening shot across the sky, followed by a loud clap of thunder like the echo of a drum. The wind was cold, the sky grey, ominous, and threatening. Mitch recovered first. Touching Janine's arm he pointed to an overhang on a building beside the road. "Let's

get out of the rain first, he shouted, get our coats on." Hurrying over and shrugging on their parka's, zipping them to their chins and pulling the hoods over their heads. The sound of horse hooves on cobblestones drew their attention. A carriage appeared through the rain. The driver sitting high on the front seat wearing a top hat and layers of clothing against the rain. It moved passed them and went on down the street. Janine her eyes wild. "Where are we?" "Looks like Victorian London," Mitch responded. "That was a Hansom Cab." Janine was incredulous. "Two hundred years ago!" Janine Forbes and Mitch Taylor are Christians, ordinary Christians, God uses ordinary Christians. A visit from an Angel sets Mitch and Janine on journeys back in time. Their task; to change the past.

Food, water, and shelter are very important to survival. But you must also be ready to protect what is yours, because if somebody stronger, better prepared, and better equipped takes it all away, you will die. Your family will die. The only way to protect them is with firearms. Written with the law-abiding civilian in mind, *Prepper Guns* covers the firearms and tools needed to survive, not only for defense, but also for foraging. It is a comprehensive look at the realities of the firearms a prepper should have. Written by Bryce M. Towsley, a firearms expert and a full-time gun writer with thirty years of experience, it steps away from the "conventional wisdom" that is often spouted by prepper publishing and takes a hard, honest, look at the reality of the firearms, ammo, tools and training needed to survive at home and on the road. *Prepper Guns* takes a careful look at each category of firearms, ammo, sights, and accessories. Other topics include gun care and maintenance, as well as some simple gunsmithing and reloading to keep firearms repaired and ammo on hand.
