One of the Best Books of the Year by The New York Times • The

Washington Post • The Boston Globe • The Seattle Times •

Esquire • Time Bryan Stevenson was a young lawyer when he

founded the Equal Justice Initiative, a legal practice dedicated to

defending those most desperate and in need: the poor, the wrongly

condemned, and women and children trapped in the farthest reaches

of our criminal justice system. One of his first cases was that of

Walter McMillian, a young man who was sentenced to die for a

notorious murder he insisted he didn ’ t commit. The case drew

Bryan into a tangle of conspiracy, political machination, and legal

brinksmanship—and transformed his understanding of mercy and

justice forever. Just Mercy is at once an unforgettable account of an

idealistic, gifted young lawyer ’ s coming of age, a moving window

into the lives of those he has defended, and an inspiring argument for

compassion in the pursuit of true justice. Winner of the Carnegie

"An easy-to-navigate, comparative book on state and local government. Very student-friendly and well-organized." —Jane Bryant, John A. Logan College The trusted and proven *Governing States and Localities* guides students through the contentious environment of state and local politics and focuses on the role that economic and budget pressures play in issues facing state and local governments. With their engaging journalistic writing and crisp storytelling, Kevin B. Smith and Alan Greenblatt employ a comparative approach to explain how and why states and localities are both similar and different. The Seventh Edition is thoroughly updated to account for such major developments as state versus federal conflicts over immigration reform, school shootings, and gun control; the impact of the Donald Trump presidency on intergovernmental relations and issues of central interest to states and localities; and the lingering effects of the Great Recession. From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to

read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

This book brings together world-class professionals to share theoretical understanding applied to sport, exercise and performance domains. It highlights how to be more effective in developing psychological skills, context and understanding for educators, students and professionals. From both academic and practitioner perspectives, this book takes readers through contextual understanding of this field of study and into a wide variety of important areas. Specifically, the chapters focus on the mind-body relationship and performance challenges, and on core mental skills applied across different sport, exercise and performance examples (including professional athletes, normal exercise populations and military service members). The final section expands the context into the role of relationships and performance in group settings to cover a broad practice of modern day applied performance psychology.

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase

---

Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Beginning with a theoretical discussion of race, sport and media, this book critically examines issues of race, racism and sports journalism and offers practical advice on sports reporting, including a discussion of guidelines for ethical journalism. In a series of case studies, representations of race will be explored through historical and contemporary analysis of international media coverage, including online and digital platforms. The background and impacts of these representations will also be discussed through interviews with athletes and sports journalists. Subjects covered include: cricket in the UK, Australian and Asian

media, with particular focus on Pakistan athletics and media representations of athletes, including a study of the reporting of South African runner Caster Semenya football and the under-representation of British-Asians, with an analysis of how race is constructed in the digital arena boxing with particular reference to Muhammad Ali, America and Islam Formula One and analysis of the media reporting, international spectator response and racism towards Lewis Hamilton, described in the media as the first black driver. Finally, the book will analyse the make-up of sports journalism, examining the causes and consequences of a lack of diversity within the profession.
