When you're a SEAL and elite sniper, you learn to live in the shadows, how to watch, and when to make your move. I'm Vann O'Reilly and you can like me or leave me. I don't make small chat, I don't do crowds, and I'll be honest. Most days? I don't like people and I'll never, ever be Prince Charming. I make sure women come hard—and leave faster. Rescuing Marlee Williams was my first mistake. Now, she thinks we're wingmen. That we have each other's back. And there's something about Marlee that makes me smile, makes me want to a better man even as I want to lock her in my bedroom and kiss her until we both run out of air. So when she asks me to do her a favor, I'm all in. I'm her wingman, after all. Except she needs someone to knock her up, to give her the baby she craves... and then leave. She wants a baby daddy. I rock the bedroom. I'm an expert at heading out the door. You might think I've got this under control—and you'd be wrong. Because now that I've had a taste of her, the last thing I want to do is give her up. CARIBBEAN NIGHTS is sexy romantic comedy series by NYT and USA Today bestselling author Anne Marsh. All books are standalone. Book 1 - Player Book 2 - Baby Daddy Book 3 - The Boss Book 4 - Heartbreaker

On the Edge of Destiny Relay Publishing

A sexy new standalone shifter romance from New York Times Bestselling Author Anne Marsh... He's the lone wolf... I don't play well with other wolves. The pack needs muscle, and I provide it as their enforcer. My biker name is Gator—after the alligator that chewed my face up. Sure I can make a woman scream with pleasure, but the scars on my face? That's truth in advertising right there. There's not an ounce of pretty in me. I fight, I ride—and I do it alone. So chasing the gorgeous marine biologist who wanders into my bayou hunting for wolves is not my smartest move. She's Beauty. I'm the Beast. That story's already been told and life's fresh out of happy endings. Who's coming for her... The biker who rescues me from a mud bath in the bayou, the amazingly hot but rough-around-the-edges man with the powerful motorcycle, is the stuff of fantasy. Dirty fantasies. His powerful arms, broad shoulders, and muscled thighs make me tingle in all my favorite places. He's also grumpy, surly, and way too take-charge. So I definitely can't eat the eye candy.... Can I? I just got out of an abusive relationship and I'm not looking for a new man. I don't need a complication like Gator. But I don't know how much longer I can resist him either... LONE WOLF is a sexy standalone werewolf shifter romance with more than its fair share of humor, dirty sex, and alpha males who fall in love hard.

But instead of a mole, he finds his perfect female counterpart: another spy on the trail. And she's working against him. Mirabelle, "M", is a master of disguise. A shake of her hair, a swipe of her lipstick and she can change from a secretary to a sex kitten. It's a talent that comes in handy in her line of work as an agent. Plugging the leaker in a data breach could finally gain her the momentum she needs to advance her career. That is until she discovers a sexy SEAL working against her—making her question everything she thought she knew. Being a firefighter means I work hard and can go all night. But hey, I've got plenty of fires to put out in my downtime, too. Fortunately I've got just the tool to do it. Size matters, ladies. I've got a big one...and I would have been happy to show you before a sassy, sexy brunette crash-landed in my life. Lola is quirky; she's talented; she's unbelievably gorgeous; and she's getting over the world's worst breakup. I've got two words for you: off limits. So even if her smoking-hot body drives me nuts, I'll keep my tool to myself. We're friends - not lovers. I've got her back, even if what I really want to have is her front. Her mouth. After stoking the flames and achieving a blowup of nuclear proportions, I know I'm in big trouble. Once isn't enough. Now my need for her is a four-alarm blaze...and I'm beginning to think I don't ever want it to burn out. This full-length standalone from New York Times and USA Today bestselling author Anne Marsh contains plenty of swoonworthy hotshot firefighters, including one that's grumpy as a bear and twice as... large. When Chance McCallister left her to join the Navy SEALs, Mandy Loomis was devastated. Now, more than

ten years later, Chance and his brothers are back in town for their father's funeral, but Mandy is no longer that moon-eyed teenager she once was. She's a fiercely independent woman determined to solve her own problems—and she has plenty. When her gambler father died two years prior, he left Mandy—along with a successful auto repair business—with a ton of debt owed to a ruthless loan shark. Mandy is barely getting by, and when her mechanic quits, she's in a real bind. It just so happens, Chance is willing to help out. Sure, Chance is bigger, stronger, and sexier than ever, but Mandy isn't interested in anything but his mechanical skills. Or maybe just a bit interested in his kissing skills—which, by the way, are just as good as she remembers. Mandy wasn't the only one brokenhearted when they were just teens. Chance never did get over his first love, and seeing her now only brings back those feelings in a major way. He's grown up a lot since he left their little town, and now that he's home, he's determined to win back the girl he never should have lost. If only he can convince Mandy that he can protect her from the loan shark and his thugs, and that she doesn't have to protect her heart from him. But just as the two are beginning to realize they're meant to be together, the loan shark makes things more than just a little precarious, putting both their love and their lives in danger.

When SEALs Come Home Boxed Set II Harlequin

A sexy standalone romantic comedy from New York Times bestselling author Anne Marsh He's big. He's sexy. And he's hung. The first time I meet Pick Revere I tried to bash his head in with a baseball bat. The second time, I kissed the ever-loving daylights out of him on a dare. For a girl who's on the lam and hiding from her cop ex, I'm failing miserably at laying low. Instead, I'm going up in delicious flames—because Pick's the hottest, roughest, toughest bad boy firefighter I've ever laid eyes (or lips) on. He promises he has a big hose—and knows how to use it. I'd investigate, but I need my job as a cook at the fire camp. I'm supposed to serve my hotshot breakfast—not me. I'm supposed to keep my secrets. And I'm definitely supposed to stay single. But I'm not prepared for what happens after our kiss. Pick's magnetic and dangerous. He's short-term fun—not Mr. Commitment. But then he volunteers to be my muscle when my douche ex tracks me down. And I shouldn't want more than that. But I do. I should run as fast as I could from Pick. But I won't. Because he sets me on fire and you know what they say about firefighters—the hotter you get, the faster they come. How's a gal to say no? This is a sexy standalone romantic comedy for fans of Lauren Blakely, Helena Hunting, and dirty, raunchy, hot firefighters. It is the first in a new series.

One night. No regrets. And no promises. As the resident bad girl and bartender of Strong, California, Mimi has earned every inch of her reputation. Tattoos, motorcycles and dancing on the bar-Mimi's all in. She's fun and she's tough, a hot sex-on-the-pool-table woman-not a sunset-and-kisses sweetheart. Former US Navy SEAL, smoke jumper, and unrepentant bad boy of summer, Joey Carter loves fast bikes, hot women, and a good time, because speed and pleasure drown the ghosts from the past. Cut off by her family for running away with an actor—who turned out to be using her for publicity—Mel is penniless, homeless, and disgraced. There's only one place to go, and that's back to the fiancé she ditched. But instead of her ex, she finds his friend Daveed Rafik. The handsome military translator disarms Mel with his easy smile and surprising sympathy. But as she struggles to get her life on track, the last thing Mel needs is to fall into the strong arms of her ex-fiancé's best friend. Counter-terrorism expert Sheikh Daveed Rafik has spent his career dealing with delicate and dangerous situations, but none of them compares to Melody Hascall-Ebons. He's supposed to be helping his friend Murphy find his missing sister, not consoling the spoiled rich girl who dumped their buddy Heath. But the more he learns about Melody, the more he likes. With her unexpected intelligence and distinctive beauty, Melody calls to him in powerful ways. But when the woman he is arranged to marry shows up, Daveed's highly organized life suddenly gets very complicated. The streets of New York are steeped in holiday cheer, but can Daveed and Melody thaw the ice around their hearts enough to make room for love? A SEAL for Christmas It's Christmas in New York, and the lone wolf is about to go AWOL for love... Navy SEAL Murphy Coen should be celebrating the upcoming holidays with friends and family, but with his sister Aileen missing, there's not much for Murph to feel thankful for. To find Aileen, he's fully prepared to use force, until an unexpected encounter has him rethinking his tactics. Shayma, his friend Daveed's former fiancée, is sexy as hell, and something about her soothes his wayward soul. The brunette bombshell claims she can help, but Murph's never been known for his patience. The clock is ticking, and he isn't sure Shayma won't get in the way of doing what he needs to do. After ending her engagement to the man chosen by her father, Shayma bint Amr Kahlan has been enjoying the sights of New York City...and her ex's best friend Murphy. The menacing military man has the dark, brooding thing down, but Shayma is certain his temper will lead to trouble—trouble his friends don't want him in. When Daveed offers to promote her father if she can keep Murph in check while he and Heath secretly search for Aileen, Shayma sees a chance to help...and get back in her father's good graces. She's happy to prevent Murphy from getting out of hand. Besides, sometimes it takes a softer touch to get what you want. Shayma and Murphy's chemistry may be undeniable, but as the stakes get higher, can Murphy open himself up to love? Or will he be forced to choose between Shayma and finding his sister? A Billionaire for Christmas Snow is falling in Central Park, but this Christmas is going to be hotter than ever when a smart-mouthed journalist unravels a tightly wound billionaire. When billionaire businessman Heathcliff Goldwin III returned home for the holidays, he never expected to be at the heart of a New York society scandal that thrusts him into the spotlight. Attention is the last thing Heath wants, so when he learns his friend Murphy hasn't heard from his journalist sister, Heath sees the chance to lay low and repay a debt to Murph. He'll locate Aileen,

keep her safe, and the whole scandal thing will blow over. But when he finds the petite brunette disguised as Santa and tailing a shady senator, Heath knows she's in over her head. He should just tell Murphy where Aileen is and move on, but he'll give her the chance to get her story...even if it means not letting her out of his sight.
