While the Smoothie Elite is a excellent HOUSEHOLD blender, It DOES NOT measure up to the Commercial Quality Blenders we offer. In our tests, it is one of the most powerful Household blenders available on the market. We reccomend this blender for blending fruits. Back to Basics

Cleaning Your  
Smoothie Elite™

Designed just for the purpose of blending fast, nutritious smoothies, the Smoothie Elite does the job better than an ordinary blender and is easy to operate. The 56-ounce jar has measuring marks for adding just enough fruit, yogurt, and protein powder (or whatever you prefer in your smoothie) for either two or four servings.
