McGhee - Books on novels. She is a *Google Play* New York Times bestselling author, For all the grimness of the subject, this is a lovely, quiet story, simply told. And it's most notable for all the things it isn't: no villains, no suspense, no tearjerking, no clueless adults, no deathbed scene -- in fact, no death. **Snap by Alison McGhee - Goodreads** Snap - Ebook written by Alison McGhee.
