The five-month Monte Cassino campaign in central Italy is one of the best-known European land battles of World War Two, alongside D-Day and Stalingrad. It has a particular resonance now, because Cassino, with its multitude of participating armies - most notably the American 5th Army under the controversial General Mark Clark - was perhaps the campaign of the Second World War that most closely anticipates the coalition operations of today, with its ever-shifting cast of players stuck in inhospitable, mountainous terrain, pursuing an objective set by unknowing politicians in distant capitals, where victory is difficult to define.

Trace the epic history of World War 2 across the globe with more than 100 detailed maps. In this stunning visual history book, custom maps tell the story of the Second World War from the rise of the Axis powers to the dropping of the atom bomb on Hiroshima and Nagasaki. Each map is rich with detail and graphics, helping you to chart the progress of key events of World War II on land, sea, and air, such as the Dunkirk evacuation, the attack on Pearl Harbor, the D-Day landings, and the siege of Stalingrad. Historical maps from both Allied and Axis countries also offer unique insights into the events. There are timelines to help you follow the story as it unfolds, while narrative overviews explain the social, economic, political, and technical developments at the time. Fascinating, large-scale pictures introduce topics such as the Holocaust, blitzkrieg, kamikaze warfare, and code-breaking. Written by a team of historians in consultation with Richard Overly, [World War II Map by Map](#) examines how the deadliest conflict in history changed the face of our world. It is perfect for students, general readers, and military history enthusiasts.

NEW YORK TIMES BESTSELLER • A thrilling tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: Doctor Zhivago • A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak's magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm to pry secrets out of powerful men. Under Sally's tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. [The Secrets We Kept](#) combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired Zhivago's heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world.

On December 17, 1944, during the Battle of the Bulge, more than eighty unarmed United States soldiers were shot down after having surrendered to an SS unit near the small crossroads town of Malmédy, Belgium. Although more than thirty men lived to tell of the massacre, exactly what took place that day remains mired in controversy. Was it just a

"battlefield incident" or rather a deliberate slaughter? Who gave the orders: infamous SS leader Jochen Peiper or someone else? [Fatal Crossroads](#) vividly reconstructs the critical events leading up to the atrocity—for the first time in all their revealing detail—as well as the aftermath. Danny S. Parker spent fifteen years researching original sources and interviewing more than one hundred witnesses to uncover the truth behind the Malmédy massacre, and the result is riveting.

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

The little-known story of the Battle of Kalinin on the eastern front, and how it shaped the course of WWII—based on archival records from both sides. There was only one point in the Second World War when Nazi Germany had a chance of winning. That point was October 1941, when most of the Red Army's forces before Moscow had been smashed or encircled, and no reserves were available to defend the capital. All that stood in Hitler's way were a handful of Soviet rifle divisions, tank brigades, and hastily assembled militia. According to German accounts, their spearheads were stopped by the mud—but a close examination of German records shows this was not so. Instead, it is clear that it was the resistance of the Red Army, and bad, arrogant planning, that halted the Wehrmacht. This is the dramatic story that Jack Radey and Charles Sharp tell in this compelling study of a previously unknown part of the Battle of Moscow. Using archival records from both sides, they reveal how the Soviets inflicted a stunning defeat on a German plan to encircle six Soviet armies in the middle of October 1941.

December, 1944. For the besieged American defenders of Bastogne, time was running out. Hitler's forces had pressed in as their ammunition dwindled, and the weary paratroopers of the 101st Airborne could only hope for a miracle—a miracle in the form of General George S. Patton and his Third Army. Here, Army veteran and historian Leo Barron explores one of the most famous, yet little understood, clashes of the war, a vitally important chapter in one of history's biggest battles.

[Snow & Steel](#) Delacorte Press

Discusses how to plan a staff ride of a battlefield, such as a Civil War battlefield, as part of military training. This brochure demonstrates how a staff ride can be made available to military leaders throughout the Army, not just those in the formal education system.
