Orhan Pamuk's Snow is a modern day look at Turkey. Once referred to as the sick man of Europe, it became a modern republic after the fall of the mighty Ottoman empire, and Kemal Ataturk, the father of modern Turkey, envisioned a secular state more aligned with western ideals of modernity, and a brand of Islam that reflected this.

"Snow" is the first book by Orhan Pamuk that I have read. Based on my impressions, I expect to read more of his work. I found "Snow" to contain a number of scenarios and observations that were interesting and some that were profound. On the other hand, the book had a couple of key moments that seemed like something out of a Charlie Chan movie.
