A New York Times Bestseller! One woman undertakes a worldwide search to learn the secrets of a great marriage—and finds one foundational truth that could change everything. Fawn Weaver was a happily married woman running a successful

business—and then something happened. Maybe it was divorce rate reports on the evening news, The Real Housewives of Orange County, or any daytime talk show where husbands and wives dramatically reveal their betrayals. Everywhere she looked, Fawn saw negative portrayals of marriage dominating the airwaves and dooming everyone to failure. Looking at Keith, the love of her life, she knew that wasn't true. She was determined to find and connect with women just like her—happy and optimistic about marriage, deeply in love with her spouse, and committed to building a strong marriage that stands the test of time. On a whim, she started the blog HappyWivesClub.com and sent the link to a few of new friends. What started as a casual invitation to five women exploded into an international online club with 150,000

members in more than 100 countries. Happy Wives Club is Fawn's journey across the world to meet her friends and discover what makes their marriages great. Join her on this exciting, exotic trip across six continents and through more than eighteen cities. Walk the streets of Mauritius, the historic ruins in Italy, and the vistas of New Zealand and Australia. Go from Cape Town to London, Manila to Buenos Aires, Winnipeg to Zagreb. Along the way, you will meet everyday women whose marriage secrets span cultures. You will hear their stories, witness their love, and be inspired by the proof that happy, healthy marriages do exist—and yours can be one of them! It turns out great marriages are all around us—when we look for them. Go on a trip with Fawn and learn the best marriage secrets the world has to offer.

This explosive narrative reveals for the first time the shocking hidden years of Coco Chanel's life: her collaboration with the Nazis in Paris, her affair with a master spy, and her work for the German military intelligence service and Himmler's SS.

Gabrielle “Coco” Chanel was the high priestess of couture who created the look of the modern woman. By the 1920s she had amassed a fortune and went on to create an empire. But her life from 1941 to 1954 has long been shrouded in rumor and mystery,

never clarified by Chanel or her many biographers. Hal Vaughan exposes the truth of her wartime collaboration and her long affair with the playboy Baron Hans Günther von Dincklage—who ran a spy ring and reported directly to Goebbels. Vaughan pieces together how Chanel became a Nazi agent, how she escaped arrest after the war and joined her lover in exile in Switzerland, and how—despite suspicions about her past—she was able to return to Paris at age seventy and rebuild the iconic House of Chanel. *The Book Thief*

#1 NEW YORK TIMES BESTSELLER • From the National Book Award – winning author of *Stamped from the Beginning* comes a “groundbreaking” (Time) approach to understanding and uprooting racism and inequality in our society—and in ourselves. “The most courageous book to date on the

problem of race in the Western mind. ” —The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review

- Time • NPR • The Washington Post • Shelf Awareness • Library Journal • Publishers Weekly • Kirkus Reviews

Antiracism is a transformative concept that reorients and reenergizes the conversation about racism—and, even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. At its core, racism is a powerful system that creates false hierarchies of human value; its warped logic extends beyond race, from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes, gender identities, and body types. Racism intersects with class and culture and geography and even

changes the way we see and value ourselves. In *How to Be an Antiracist*, Kendi takes readers through a widening circle of antiracist ideas—from the most basic concepts to visionary possibilities—that will help readers see all forms of racism clearly, understand their poisonous consequences, and work to oppose them in our systems and in ourselves. Kendi weaves an electrifying combination of ethics, history, law, and science with his own personal story of awakening to antiracism. This is an essential work for anyone who wants to go beyond the awareness of racism to the next step: contributing to the formation of a just and equitable society. Praise for *How to Be an Antiracist*

“Ibram X. Kendi’s new book, *How to Be an Antiracist*, couldn’t come at a better time. . . . Kendi has gifted us with a book that is

not only an essential instruction manual but also a memoir of the author's own path from anti-black racism to anti-white racism and, finally, to antiracism. . . . How to Be an Antiracist gives us a clear and compelling way to approach, as Kendi puts it in his introduction, 'the basic struggle we're all in, the struggle to be fully human and to see that others are fully human.' —NPR "Kendi dissects why in a society where so few people consider themselves to be racist the divisions and inequalities of racism remain so prevalent. How to Be an Antiracist punctures the myths of a post-racial America, examining what racism really is—and what we should do about it." —Time

When he married for the second time, Jay Keyser thought he and his wife would settle down on a bucolic little farm where the cows meet the sea. That was before he found out the awful truth: he had married a travel junkie. While he was envisioning walks along quiet beaches, her sights were set on stakeouts beside Tanzani ' s Grumeti River watching crocodiles take down baboons. He didn ' t want to come within 6,000 miles of a

crocodile, let alone 6 feet. But, somehow, he couldn ' t let Nancy go it alone. And so, for the past 15 years, Jay Keyser has followed his wife around this treacherous world. This is his chronicle. Our reluctant traveler did his level best to understand the extraordinary people and places he visited as well as his internal conflict. He gradually began to accept profound differences between his wife and himself. Although terrified by them, he has learned from his experiences, most especially from an encounter with an angry female gorilla, who offered key insight into marriage and

human nature. Jay Keyser learned to stop and smell the elephant dung.

Shannon Page has been a backwoods hippie child, a nude model, a trophy wife, a failed realtor, a successful copy editor, and a wine enthusiast. She has been monogamous and polyamorous, vegetarian and enthusiastically carnivorous, poor and rich. But she has always been a writer. In this engaging collection of essays on topics ranging from personal growth to money to relationship styles to life on a remote island in the Pacific Northwest,

Page explores the pressing questions of life, such as why she never wanted children, why do we have to wear bras anyway, how to make cassoulet, what to do when you're snowed in, what it was like to pose for Playboy, and how to write a novel in three weeks. Other essays include reflections on the loss of parents, money and inequality in relationships, reclaiming a yoga practice after falling badly out of shape, and waiting (or NOT waiting) for permission to do what you really want to do. Tying all these threads together is Page's warm and welcoming voice. So get comfortable, put

your feet up, and have a favorite beverage by your side—because once you start reading, you won't want to stop.

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles?

Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you ' ll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo ' s clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house “ spark joy ” (and which

don ' t), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Waiting to be rediscovered in the British Library is an ancient manuscript of the

early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, *The Lost Gospel* provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. *The Lost Gospel* takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia.

For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even

love—in this romantic comedy from the New York Times bestselling authors of *Roomies*. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't

affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (*Entertainment Weekly*), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love. Imagine a land where all

the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the

sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.' Independent Black Belt Husband Simon and Schuster From the author of the classic *A Little Life*—a bold, brilliant novel spanning three centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. In an alternate

version of 1893 America, New York is part of the Free States, where people may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist's damaged granddaughter tries to navigate life without him—and solve the mystery of her husband's disappearances. These three sections are joined in an enthralling and ingenious symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can't exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need. Loneliness. To Paradise is a fin de siècle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara's understanding of the aching desire to protect those we love—partners, lovers, children, friends, family and even our fellow

citizens—and the pain that
ensues when we cannot.
