Know. The book also encourages collaboration and cooperation between fields and the integration of knowledge sharing and partnerships between not-for-profits, for-profit businesses, governments, and academic institutions. Seven Skills for Social Entrepreneurs | Ohio University The term social entrepreneurship (or SE) began to find its way into the lexicon in the 1980s, thanks to the

efforts of Bill Drayton, the founder of Ashoka, and a number of leaders in corporate and academic life who advocated for the systematic application of entrepreneurial practices to social ills and problems. Ashoka fellowships, first awarded in 1981, and similar support and recognition elsewhere allowed individuals with innovative strategies for treating these problems to begin to make a

Search Tips.
Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes).
Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.
