Social media policies should be broad enough to cover social media technology that will be introduced in the future. Furthermore, the policy should not only cover the material on the company blog, or company Facebook or Twitter account, but should cover the appropriate use of one's personal blog, Facebook page, or Twitter account.

Social policy reform can also take place outside the government, as seen when community organizations work to support disadvantaged citizens. Programs that have a positive impact, such as adult literacy, are promoted through social policies. The idea behind social policy is that taking steps to benefit human welfare is a
