Macionis, Social Problems, 5th Edition | Pearson

Frame social problems, and identify solutions, through the lens of politics. Revel Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis encourages students to develop their own positions, and helps them attain the knowledge they need to engage in solving social problems through activism and political ...
