Macmillan/McGraw-Hill Social Studies, Grade 6, Practice and Activity Book Carson-Dellosa Publishing

Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study

various places, and how culture and geography are related. With a focus on the six populated continents, students will explore various types of maps including physical maps, political maps, topographic maps, thematic maps, climate maps, regional maps, and various topics including scale, legends, cardinal directions, latitude and longitude, and more. Aligned to state standards and National Geography Standards, this resource includes digital materials.

Social Studies Practice Test Workbook is a must have resource for students in 6th grade who are preparing to sit the Grade Level Assessment Test.

Brain Quest Workbook: Grade 6
Mometrix Media LLC

The framework for teaching document is an evolving instrument, but the core concepts and architecture (domains, components, and elements) have remained the same. Major concepts of the Common Core State Standards are included. For example, deep conceptual understanding, the importance of student intellectual engagement, and the precise use of language have always been at the foundation of the Framework for Teaching, but are more clearly articulated in this edition. The language has been tightened to increase ease of use and accuracy in assessment. Many of the enhancements to the Framework are located in the possible examples, rather than in the rubric language or critical attributes for each level of performance.

Primary Course for Swaziland Core Skills Social Studies, Grade 6

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom.
