The following case studies will give you a flavour of the sorts of issues and challenges that a social worker deals with on a day to day basis. They cover three areas of social work - work with adults, with children and families and with young people who have committed offences.

Case Scenario Index - SocialWorker.com

Social work is a demanding job that includes many challenges. Some of these may be faced on a day-to-day basis; others might be ongoing. These challenges are often two-fold: they may come from the social work case itself or from outside parties. As the US population ages and the opioid crisis continues, such challenges are likely to rise. 1.
