Summary. Mills begins The Sociological Imagination by describing the situation of man in the 1950s. He characterizes this situation as one of both confinement and powerlessness. On the one hand, men are confined by the routine of their lives: you go to your job and are a worker, and then you come home and are a family-man.

1.4. Why Study Sociology?

Studying sociology is beneficial
both for the individual and for
society. By studying sociology
people learn how to think critically
about social issues and problems
that confront our society. The
study of sociology enriches
students ' lives and prepares them
for careers in an increasingly
diverse world.
