Introduction To
Sociology Exam 1
Study Guide -
StuDocu
Mills begins The
Sociological
Imagination by
describing the
situation of man in
the 1950s. He
characterizes this
situation as one of
both confinement
and powerlessness.

On the one hand,
men are confined by
the routine of their
lives: you go to your
job and are a
worker, and then
you come home and
are a family-man.
