Socratic Seminar is based on an

intellectual tradition generally associated with the ancient Greek philosopher Socrates who lived during the fifth century B.C.E. Socrates believed that the best way to achieve understanding came from developing and pursuing insightful questions. Socratic Seminar establishes a framework for holding discussions centered on this ideal while promoting equal

Socratic Seminar - NWABR

The Socratic seminar is a formal discussion, based on a text, in which the leader asks open-ended questions. Within the context of the discussion, students listen closely to the comments of others, thinking critically for themselves, and articulate their

own thoughts and their responses to the thoughts of others.
