This is why you remain in the best website to look the amazing books to have.

The Doctrine of Sin Zondervan

Christian theology didn't develop in a vacuum. Understanding the story behind the doctrines that have been debated, defined, and defended throughout history is crucial for truly understanding the doctrines themselves. In this groundbreaking resource, professor Gerald Bray traces the history of Christian theology from the early church to the modern era. Structured to parallel the order in which orthodoxy gradually matured in response to challenges from both within and without the church, this volume tells the story of how Christians have struggled to understand, confess, and worship the triune God through the centuries.

The Baker Compact Dictionary of Theological Terms B&H Publishing Group

This book presents the history of various doctrines in identical order to their appearance in Wayne Grudem's *Systematic Theology*. Readers can trace the development of vital Christian theology topic by topic.

A Covenant Ecclesiology Baker Books

What we believe about the Bible is foundational to every part of life. Scripture is the very Word of God, the final authority for all of theology, the governing source of all other doctrines. In the latest volume of the *Foundations of Evangelical Theology* series, theology professor John S. Feinberg has written a landmark work on the doctrine of Scripture, offering a robust, serious treatment of topics such as revelation, the canon, inerrancy, infallibility, sufficiency, preservation, and more—all with the goal of helping readers cherish, obey, and be transformed by what God has spoken in his Word.

The Doctrine of God Crossway

An updated examination of ecclesiology from a Baptist perspective In this useful book, professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church. Blending biblical teaching and practical ministry experience, Hammett presents a comprehensive ecclesiology from a historic Baptist perspective, examining crucial contemporary issues such as church discipline, the role of elders, and church ministry in a post-Christian culture. This second edition contains updates throughout, including:

- Substantive changes to chapters on the nature of the church, Baptist church polity, and deacons
- An expanded chapter on baptism and the Lord's Supper
- A thoroughly revised chapter on church models like multisite churches and missional churches
- A brand-new chapter on meaningful church membership

How the Global Church Is Influencing the Way We Think about and Discuss Theology Crossway

In this volume, representatives of several North American Baptist seminaries and a Baptist university make the exegetical and theological

case for a Baptist polity. Right polity, they argue, is congregationalism, elder leadership, diaconal service, regenerate church membership, church discipline, and a Baptist approach to the ordinances.

Historical Theology Pack Zondervan Academic
This comprehensive theology of the Holy Spirit examines and explains the role of the third member of the Trinity.

The Doctrine of Scripture Fortress Press
Derived from Gregg Allison's magisterial *Historical Theology*, this digital resource provides a concise overview of Christian worship as it developed throughout the church's history. Liturgy, sacraments, the regulative principle, the theology of worship, elements of worship—all of these and more are covered in this concise history. Readers wanting a handy reference resource to the full story of Christian worship from beginning to end will appreciate Allison's careful and fair-minded overview.

Systematic Theology *Sojourners and Strangers*
The Doctrine of the Church
Churches have split and denominations have formed over the issue of church government. While many Christians can explain their church's form of rule or defend it because of its "tried and true" traditions, few people understand their church's administrative customs from a biblical perspective. *Who Runs the Church?* explores questions such as: What model for governing the church does the Bible provide, and is such a model given for practical or spiritual reasons? Is there room for different methods within Christianity? Or is there a right way of "doing church"? And, finally, how (and by whom) should the church be governed? Four predominant approaches to church government are presented by respected proponents: Episcopalianism - represented by Peter Toon Presbyterianism - represented by L. Roy Taylor Single-Elder Congregationalism - represented by Paige Patterson Plural-Elder Congregationalism - represented by Samuel E. Waldron As in other *Counterpoints* books, each view is followed by critiques from the other contributors, and its advocate then responds.

Building on the Foundations of Evangelical

Theology Zondervan

Many contemporary theologians claim that the classical picture of God painted by Augustine and Aquinas is both outmoded and unbiblical. But rather than abandoning the traditional view completely, John Feinberg seeks a reconstructed model—one that reflects the ongoing advances in human understanding of God's revelation while recognizing the unchanging nature of God and His Word. Feinberg begins by exploring the contemporary concepts of God, particularly the openness and process views, and then studies God's being, nature, and acts—all to articulate a mediating understanding of God not just as the King, but the King who cares! Part of the Foundations of Evangelical Theology series.

He Who Gives Life B&H Publishing Group

This book studies the Holy Spirit through the lens of both biblical and systematic theology. It provides a comprehensive look at the third person of the Trinity as revealed by Scripture, focusing on eight central themes and assumptions.

An Introduction to Biblical Doctrine

Crossway

Is it time for your church to go multisite? It seems everybody is doing it these days, so how do you know if it is the right solution for your congregation? MultiChurch brings clarity to the multisite movement and assembles the lessons it has learned over the past fifteen years. It explores the opportunities presented by the various forms of multi-site church, identifies areas of concern, and concludes that multisite is not only a biblically sound ecclesiological model, but also a model that provides a compelling solution to contemporary reductionism in the church.

Light in a Dark Place How-To

Many Christians live as though they are effectively alone in the world. However, there is another realm of intelligent life that plays a role in the world—angelic beings. This book explores the doctrine of angels and demons, answering key questions about their nature and the implications for Christians' beliefs and behavior, helping readers see their place in the larger biblical plotline that includes supernatural beings. An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ's victory on the cross.

How the Bible Was Formed Crossway

Derived from Gregg Allison's magisterial *Historical Theology*, this digital short provides a concise but thorough history of how both New Testament and Old Testament books were identified as Scripture and incorporated into the final canon. Attention is paid to differences between the Catholic and Protestant canons and to debates about the inclusion of apocryphal books. The equivalent of a series of

lectures on Scripture's formation, with extensive footnoting for further reading, this digital short provides a one-stop reference resource on a foundational matter of Christian doctrine and worship.

Essays in Honor of John S. Feinberg Zondervan Academic

"As they were eating, Jesus took bread, blessed and broke it, gave it to the disciples, and said, 'Take and eat it; this is My body.'"

—Matthew 26:26 (HCSB) A follow-up to *Believer's Baptism in the New American Commentary Studies in Bible & Theology* series, *The Lord's Supper* explores the current Baptist view of the communion sacrament. Contributors include Andreas Köstenberger ("The Lord's Supper as a Passover Meal"), Jonathan Pennington ("The Last Supper in the Gospels"), Jim Hamilton ("The Lord's Supper in Paul"), and Michael Haykin ("Communion in the Early Church"). Adding a helpful perspective, chapters are also provided on the Roman Catholic, Lutheran, Calvinist, and Zwinglian views of communion.

An Introduction Zondervan

With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

The Church Zondervan

There is a palpable sense of confusion—and sometimes even embarrassment—with regard to so-called limited atonement today, pointing to the need for thoughtful engagement with this controversial doctrine. Incorporating contributions from a host of respected theologians, *From Heaven He Came and Sought Her* stands as the first comprehensive resource on definite atonement as it examines the issue from historical, biblical,

theological, and pastoral perspectives. Offering scholarly insights for those seeking a thorough and well-researched discussion, this book will encourage charitable conversations as it winsomely defends this foundational tenet of Reformed theology. *The epub edition of this title will not display correctly when viewed on Adobe Digital Editions. Hebrew characters will be inaccurately displayed in this reader.

Biblical Foundations for Baptist Churches B&H Publishing Group

A theological evaluation of replacement theology, the doctrine that suggests the church supersedes the nation of Israel in God's plan revealed in the Old Testament.

A History of Christian Theology Baker Books

It's no secret that the center of Christianity has shifted from the West to the global South and East. While the truths of the Christian faith are universal, new contexts bring new questions, new understandings, and new expressions. What does this mean for theology? Is the Christian faith not only culturally translatable, but also theologically translatable? Timothy Tennent answers this question with a resounding yes. Theological reflection is alive and well in the majority world church, and these new perspectives need to be heard, considered, and brought into conversation with Western theologians. Global theology can make us aware of our own blind spots and biases. Because of its largely conservative stance, global theology has much to offer toward the revitalization of Western Christianity. Tennent examines traditional theological categories in conversation with theologians from across the globe, making this volume valuable for students, pastors, missionaries, and theologians alike.

The Doctrine of the Church Crossway

What is a church? This can be a difficult question to answer and Christians have offered a variety of perspectives. Gregg Allison thus explores and synthesizes all that Scripture affirms about the new covenant people of God, capturing a full picture of the biblical church. He covers the topics of the church's identity and characteristics; its growth through purity, unity, and discipline; its offices and leadership structures; its ordinances of baptism and the Lord's Supper; and its ministries. Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise, practical application. Part of the Foundations of Evangelical Theology series.

Exploring the Future of Multisite Crossway

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.
