As a longtime and very happy owner of Def Tech's ProCinema 800 home theater system, I was looking forward to an upgrade - and downgrade in wires - by purchasing the SoloCinema XTR. It's quite pricey, but Def Tech has always been synonymous with quality

sound, so I believed it was worth the additional cost compared to alternatives.

Definitive Technology Solo Cinema Integrated Home Theater ...

After using the SoloCinema XTR for a few hours, I noticed two problems, one subtle, one anything but. First, I heard a fluttering noise from somewhere. Careful listening revealed the culprit to be the wireless sub. Setting it up had been a breeze -- just plug it and the SoloCinema XTR into the wall, turn on the latter, and the system is paired.
