Your counseling will focus on solutions and take place over 4-8 sessions.

The Solution-focused Therapy Model: the First Session: Part 1

SFBT is a form of "brief therapy" because it is not meant to continue for years, as are some forms of therapy. By working with a Solution Focused therapist, you can expect a simple approach based on clear, solution-oriented questions. There is an emphasis on simplicity, and the most simple way to the solution is the most preferable.
