Financial Accounting (For Delhi University, Sem. I) SBPD Publicatoins

From one of the hottest author teams in accounting comes a new edition of the highly-successful Financial Accounting! This edition retains the traditional procedural coverage of the previous editions along with a practical decision-making focus. Anyone who will ever be asked to prepare or use accounting information to make effective decisions will benefit from this best-selling text!

Financial Accounting for MBAs SBPD Publications

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet

the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

ACCOUNTING USING EXCEL FOR SUCCESS, 2E leads students to accounting mastery while increasing Excel proficiency. Written with the modern business world in mind, this adaptation of the principles text--**ACCOUNTING, 24E**--offers an innovative four-step system for students: (1) read the accounting concept and illustration, (2) follow the same concept using the Excel Success Example, (3) practice using the Try It Tutorial, and (4) apply

knowledge by completing the Excel Success Problem. This text reinforces key accounting concepts through six basic Excel formulas. Students build an Excel portfolio to demonstrate basic competencies in accounting and Excel. Each new copy of the book comes packaged with an access code that allows students to use the online Excel Try It Tutorials. These tutorials guide students through the hands-on process of entering formulas and understanding how to Excel for accounting. Excel Success Special Activities at the end of the chapter require students to manipulate spreadsheets and save the files to demonstrate Excel competency. Within the auto-graded online homework products (CengageNOW™ and Aplia™), students are asked to document their Excel processes. For a complete demo of the Excel Success system, visit www.cengage.com/community/warren. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Solution's Manual to Accompany Financial Accounting, an Introduction to Decision Making Ram Prasad Publications(R.P.H.)
