**FINANCIAL AND MANAGERIAL ACCOUNTING USING EXCEL FOR SUCCESS** leads students to accounting mastery while increasing Excel proficiency. Built with the modern business world in mind, this adaptation of the introductory textbook, **FINANCIAL AND MANAGERIAL ACCOUNTING**, 11E offers an innovative 4-step system for students to: (1) Read the accounting concept and illustration. (2) Follow the same concept using the Excel Success Example. (3) Practice using the Try It Tutorial online. (4) Apply knowledge by completing the Excel Success problem in the homework. This text reinforces key accounting concepts through 6 basic Excel formulas. Students build an Excel portfolio to demonstrate

basic competencies in accounting and Excel. Each new copy of the book comes packaged with an access code that allows students to use the online Excel Try It Tutorials. These tutorials guide students through the hands-on process of entering formulas and understanding how to Excel for accounting. Excel Success Special Activities at the end of the chapter require students to manipulate spreadsheets and save the files to demonstrate Excel competency. Within the auto-graded online homework products (CengageNOW and Aplia), students are asked to document their Excel processes. with Cd-Rom McGraw Hill FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS, 10E makes it easy to demonstrate that accounting is a powerful tool for business decision-making by going beyond debits and credits and keeping students focused on the big picture. For example, journal entries require students to demonstrate the balance sheet and income statement impact of transactions, helping students see how business events ultimately impact the financial statements. In addition to exposing students to annual reports of highly recognizable companies such as Nike, Porter's exclusive Ratio Decision-Model provides students with a framework for reading and interpreting

financial statements to make decisions. The focus on financial statements and decision-making carries through to the end-of-chapter with a suite of case materials that have students reading and interpreting financial statements.
