Maturita Solutions Cambridge University Press

A comprehensive guide to managing communication within organisations, the Handbook recognises Internal Communication's continued growth as a management discipline. It is aimed at leaders who want insight into IC techniques for use in both day-to-day operational and change situations, for example, and also at the communication specialist seeking shared wisdom and new ideas. Early chapters examine changes in the strategic context in which today's IC departments are operating. These include organisations' increasing need for innovation and responsiveness in a superfast changing environment; employees' increasing assertion of rights and personal requirements at work; management's increasing recognition of the importance of corporate reputation/brand value, particularly how to sustain and extend it; and finally, the effects on work and management patterns of digital communication. Step-by-step guides introduce the reader to creating IC strategies and to carrying out research and measurement.

Market Leader Cambridge University Press

The Solutions 2nd Edition Workbook supports the Student's Book content with plenty of extra practice and revision.

Solutions: Upper-Intermediate: Student's Book B Cambridge University Press
