## **Cases in Financial Management** Irwin Professional Pub

Addressing all performance criteria for FNSACC501 ' Provide financial and business performance information - the text supports FNS50215 Diploma of Accounting, and FNS60215 Advanced Diploma of Accounting qualifications. The text provides students with an introduction to the complexities of corporate financial management using a clear and practical approach, gradually developing financial management skills and knowledge, and understanding of how to apply them in the real world. Self-testing checkpoints throughout chapters provide opportunities for students to assess their understanding, and further practice is offered with a large number of problems at the end of each chapter. Students thrive with the clear, concise writing style and logical learning path, helping them to master the rigours of this often complex unit.

## **Essentials of Financial Management** Academic Press

**Intermediate Accounting, 3e**, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that

focuses on explaining not just how to apply a procedure, but why it's applied.

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text for the introductory MBA course, motivating students by demonstrating finance is relevant and interesting, and presenting the material clearly, this Tenth Edition promises to be the best yet. Written by a highly-acclaimed, best selling, author team, this text remains the only MBA-level text to present a balance of financial theory and applications.

## **Intermediate Financial Accounting** World Bank Publications

"Intermediate Financial Accounting Volume 2 by G. Arnold and S. Kyle, developed in collaboration by Athabasca University and Lyryx, is intended for the second of two in Intermediate Financial Accounting courses. It presumes that students have already completed the Introductory Financial Accounting, and the first Intermediate Financing Accounting course. The textbook reflects both current International Financial Reporting Standards (IFRS) and ASPE. This textbook covers all topics essential to a second level Intermediate Accounting course: current, long-term and complex liabilities, income taxes, pensions, leases, shareholders' equity, earnings per share, statement of cash flows including the direct approach, effects of changes and errors, and disclosures and analysis. Topics that are covered in Advanced Financial Accounting courses, such as consolidations and foreign exchange, are not included here. For those requiring preparation for CPA designation, competencies as outlined by the CPA are addressed in this textbook. For a detailed competency map, please contact us at [info@lyryx.com](mailto:info@lyryx.com)."--BCcampus website.

## **Fundamentals of Investing** McGraw-Hill/Irwin

The only textbook written specifically for Intermediate or Advanced Corporate Finance courses, Brigham/Daves' INTERMEDIATE FINANCIAL MANAGEMENT, 13E equips readers with a solid understanding of both conceptual theories and practical financial skills. With corporate valuation as a unifying theme, the text emphasizes the theoretic groundwork for value maximization, while actual business examples, integrated cases and Excel spreadsheet models demonstrate how financial theory in practice leads to solid financial decisions. Combining a clear, focused presentation with the most current coverage available, the 13th Edition delivers an in-depth introduction to core financial theories as well as emerging financial management developments and issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

1969: January-June HarperCollins Publishers

This book tells a fascinating story on municipal finances for local government practitioners with rich examples, global practices, and good and bad experiences the authors gained in decades of field work.

Fundamentals of Financial Management McGraw-Hill Education

CONSTRUCTION ACCOUNTING & FINANCIAL

MANAGEMENT, 3/e helps construction professionals and construction management students master the principles of financial management, and adapt and apply them to the challenge of profitably managing construction companies. It integrates content that has

traditionally been taught through separate accounting, finance, and engineering economics texts. Students learn how to account for a construction company's financial resources; how to manage its costs, profits, and cash flows; how to evaluate different sources of funding a company's cash needs; and how to quantitatively analyze financial decisions. Readers gain hands-on experience through 220 example problems and over 390 practice problems, many of them based on situations actually encountered by the author. This edition adds more than 100 new discussion questions, and presents financial equations and accounting transactions more visually to support more intuitive learning.

Intermediate Financial Management Harcourt Brace College Publishers

Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future.
